Morris, 2020-08-14. What does it REALLY take to be successful on Upwork? The 20% that will create 80% of your results. That's the point of *Upwork Essentials* to teach you that 20%. When I first started on Upwork, everybody told me I had to pay my dues, build my job history with small projects, get to Top Rated status, and THEN I could start landing bigger projects and making real money. Instead, the first project I landed was for 2191.78. Not bad for a complete beginner. I landed several more projects like that and hit over 10K in earnings in my first few months. Years later, I decided to teach what I knew about Upwork. THIS book though is a distillation of what I did in those first few months to get started so quickly. A method I've taught now to over 6,000 students, many of whom have seen a dramatic change in their results in just days. Even more who've applied the principles long-term and built sustainable freelance businesses for themselves using Upwork. Of course, the book is NOT for everyone. If you're looking for whiz-bang or bright and shiny, this book isn't for you because it's really about fundamentals. Understanding how Upwork's Search and Suggestion actually works, building your profile to rank higher in that engine, and
