Dalkey Archive

José Lezama Lima

Dalkey Archive:

Paradiso 1st. Dalkey Archive Ed José Lezama Lima, 2000 A classic of modern literature *Paradiso* was first published in Cuba in 1966 Written by Cuba's most important poet it tells the story of Jose Cemi who in the wake of his father's death comes of age in turn of the century Cuba Weaving the exhilarations and defeats of love into extraordinarily erotic verbal tapestries Lezama Lima narrates Cemi's search for his dead father and for an understanding of love and the powers of the mind BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *When Blackness Rhymes with Blackness (Dalkey Archive Scholarly Series)* Rowan Ricardo Phillips, 2010-07-20 Lyrical provocative and highly original a groundbreaking book by one of America's smartest young poet critics In *When Blackness Rhymes with Blackness* Rowan Ricardo Phillips pushes African American poetry to its limits by unraveling our desire to think of African American poetry as African American poetry Phillips reads African American poetry as inherently allegorical and thus a successful shorthand for the survival of a poetry but unsuccessful shorthand for the sustenance of its poems Arguing in favor of the counterintuitive imagination Phillips demonstrates how these poems tend to refuse their logical insertion into a larger vision and instead dwell indefinitely at the crux between poetry and race where when blackness rhymes with blackness it is left for us to determine whether this juxtaposition contains a vital difference or is just mere repetition From *When Blackness Rhymes with Blackness* Phillis Wheatley like the epigraphs that writers fit into the beginning of their texts is first and foremost a cultural sign a performance It is either in the midst of that performance at a concert or in that performance's retrospection in a cafe that a retrievable form emerges from the work of a poet whose biography casts a far longer shadow than her poems ever have Next to Langston Hughes of all African American poets Wheatley's visual image carries the most weight recognizable to a larger audience by her famed frontispiece her statue in Boston and the drama behind the publication of her book *Poems on Various Subjects Religious and Moral* All of this will be fruit for discussion in the pages that follow Yet I will also be discussing the proleptic nature with which African American literature talks if you will Phillis Wheatley **The Dalkey Archive** Flann O'Brian, 1976 *Shouting Down the Silence* David C Dougherty, 2010-10-01 *Shouting Down the Silence* presents the first complete biography of Stanley Elkin a preeminent novelist who consistently won high marks from critics but whose complexities of style seemed destined to elude the popular acclaim he hoped to attain From the publication of his second novel *A Bad Man* in 1967 to his death in 1995 Elkin was tormented by the desire for both material and artistic success Elkin's novels were taught in colleges and universities his fiction received high praise from critics and reviewers two of his novels won National Book Critics Circle Awards and his short stories were widely anthologized and yet he was unable to achieve renown beyond the avant garde or to escape the stigma of being an academic writer He wanted to be Faulkner but he had trouble being Elkin Drawing on personal interviews and an intimate knowledge of Elkin's life and works David C Dougherty captures Elkin's early life as the son of a charismatic intimidating and remarkably successful Jewish immigrant

from Russia as well as his later career at Washington University in St Louis A frequent participant at the annual Bread Loaf Writers conference he was the friend and sometime antagonist of other important writers particularly Saul Bellow William Gass Howard Nemerov and Robert Coover Despite failed attempts to bridge the gap from his academic post to wide popular success Elkin continued to write essays stories and novels that garnered unerring praise His was a classic dilemma of an intellectual aesthete loath to make use of the common devices of popular appeal The book details the ambition the success the friction and the foibles of a writer who won fame but not the fame he wanted **The Dalkey Archive** ,1983 **Irish Writers in the Civil Service** Jonathan Foster,Elliott Mills,2026-01-05 Tracing the evolution of the figure of the writer cum bureaucrat from the Victorian Irish Civil Service through to the present day this volume examines the scenes of literary art that developed behind counters and desks in bureaucratic Dublin and Belfast as well as the international contexts in which Irish writers found administrative work in the diplomatic sphere Advancing our sense of the shape and dynamics of these environments the volume maps out literary networks spanning both local and central government institutions thus shedding new light on the phenomenon of the literariness of Irish officialdom The volume shows that Irish writers in bureaucratic institutions drew extensively upon their work life experiences in their writing frequently emulating or critiquing bureaucratic writing practices in their literary work Whilst exploring the ways in which employment in state bureaucracies facilitated literary writing the volume also articulates the specific challenges facing Irish writer officials whose freedom of expression was drastically curtailed by their position as state functionaries Examining this complex literary scene of the state functionary across time presents a new window into the workings of the Irish state as processed through the creative imagination of those who knew it best **Dalkey Archive Scholarly Series** ,19?? **The Dalkey Archive** Flann O'Brien,2021-12-24 Flann O'Brien's *The Dalkey Archive* is a masterful blend of absurdism and social commentary deftly navigating the complexities of Irish identity and the concept of reality within a post colonial context Through a rich tapestry of dark humor and surrealism O'Brien constructs a narrative that intertwines the existential musings of a fictionalized version of the protagonist with an otherworldly premise involving the resurrection of the notorious philosopher Thomas Aquinas This literary style characterized by its playful language and metafictional elements engages readers in a dialogue about the nature of truth and the absurdities of everyday life in 20th century Ireland Flann O'Brien the pseudonym of Brian O Nolan was a seminal figure in Irish literature known for his innovative storytelling and profound insights into the human condition His experiences as a civil servant in Dublin and his deep engagement with Irish folklore and mythology heavily influenced his writing Through *The Dalkey Archive* O'Brien critiques the intersections between tradition and modernity utilizing his rich background in satire and absurdity to confront societal norms and beliefs I wholeheartedly recommend *The Dalkey Archive* to readers seeking a thought provoking exploration of identity and existence O'Brien's unique narrative voice and inventive style will captivate those who appreciate literature that challenges conventions and invites deeper reflection on

the nuances of life and legacy This novel is not just a read it is an experience steeped in wit philosophical inquiry and the indomitable spirit of Irish storytelling In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read
