Dance With The Dark Poet:

Dance with the Dark Poet Debra LaRue, 1996 DANCE WITH THE DARK POET is a diary most personal in nature. It deals with the personal internal struggle of a woman in a state of transition. It documents the end of one relationship, her quest to rediscover herself through a deep inner search. There is nothing held back from her own experiences that doesn't transcend through her many poems. Taking you from the depths of despair to a new found self, she explores the very meaning of her surroundings, the affects on her life. Author Debra LaRue tells it like she's lived it in all its dark, erotic memories. Exposed for all the world to read, every poem takes you deeper into this dark, mysterious woman's life. This book leads readers into the realm of dark poetry, into the heart of a dark poet. Structured in poetic verse, Debra's words explain her pain, anguish, suffering, loss, love, despair, triumph. These poems enable readers to understand how she dealt with, survived, some of the most trying times in her life, an episode of betrayal. In doing so, Debra exposes feelings usually kept to oneself, letting others know they are not alone.

Dancing in the Dark David Donnell, 2014-08-26 An eclectic collection of poetry and fiction. *Dancing in the Dark* tackles themes of music, culture, philosophy, love, literature, and beauty. In a series of pieces that are deeply personal, though not autobiographical, Donnell evokes both high and low culture in one moment, recognizing the impossibility of desire, but acknowledging his work's connection to The Boss, Bruce Springsteen, in another. He evokes music and the objects of everyday life with clarity and grace.

souls: a collection of dark poetry Scott Swenson, 2015-09-05 This is a collection of poems and lyrics inspired by characters and situations in *The Vault of Souls*, Tampa's premier performance art experience with a dark and sinister twist. The residents of *The Vault of Souls* are paranormal personages from a time gone by. Many of them have been trapped since the early 1920s. This book gives guests who experienced this one-of-a-kind live performance a deeper understanding of the interactive characters. But don't worry, this book is just as entertaining and disturbing for those who didn't get the chance to participate in the live performances. Scott Swenson is known for his whimsically twisted approach to poetry. One critic of his last book, *Dreaming in Shades of Fear*, commented that Swenson's style is a twisted mix of Edgar Allan Poe and Dr. Seuss, and this book continues to refine this style.

A Book of Dark Poems Terry J. Powell, 2014-11-14 This book contains all the horrors of life and afterlife. Read it if you dare. I separated all the nasty and horrible poems I could find amongst the whole host of over 400 poems I have written over the last 15 years. I recommend that you read it with company and never on your own, and also keep the light on. Of all the poems I've ever written, I must admit I enjoyed writing them and presenting them to the poetry forum I was running at the time. Trying to please everyone is so hard, however, on many occasions I did satisfy those with a thirst for poetry. All I can say is, read this and any of my other books: *The Come and Read Me Book of Poems*, *The Come and Read Me Book of Poems 2*, *Poems for Children*, *New Book A Dark Book of Poems*, *New Book Another Come and Read Me Book of Poems 3*. Also being created: a new audio book of *The Come and Read Me Book of Poems*. Please feel free to read my new virtual poems on my sites: <https://www.facebook.com/terry.powell.180> <https://www.facebook.com/terry.powell.180>
