

DANCING ALONG THE UPPER MISSISSIPPI

Jim Franklin

Incorporating Like standing with Mark Twain in the pilot house of a gilded steamer navigating the great, eternal river. You'll feel wet with the Father of Waters. You'll smell its flowing aroma. You'll hear life in the hamlets and coulees along its waterways!

Setting out on a course to Punta Gorda Florida we began our river adventures on the Upper Mississippi River in La Crosse Wisconsin continuing all the way through St Louis Missouri We then found ourselves in the wild and ruthless wilderness of the Mississippi River up to the junction of the Ohio River We traveled up the Ohio to the Kentucky Lakes where we rested for several days and got a glimpse of the elegant and pampered side of river boating Continuing south we entered remote areas that had yet to be charted in GPS Traveling on the Tennessee Tombigbee Rivers through Mobile Bay we finally arrived on the Florida Intracoastal In October 2018 our trip was cut short abruptly and with finality in Panama City when Hurricane Michael destroyed our boat and our dreams of boating our way through retirement The book is written as a series of everyday short stories stories about the people we met and the rivers that tried to swallow us alive With its in depth descriptions it provides interesting insights for Quimby s Guide travelers as well as for those who have only been able to dream of boating from Wisconsin to Florida In addition the uniqueness of the river people we met on this journey and the extreme river and weather conditions we lived through will make this book appealing to an adventurous and curious audience Highlights that stand out in the author s mind include a 360 degree fascination with the Mississippi River bluffs the World War that was averted with an LST 325 Navy warship our only tourist trap destination in Hannibal Missouri the incredible spectacle of the St Louis Arch dining at Bobby s Fish Camp the winners and losers along the Kentucky Lakes the statue of the Mistaken Klansman floating bollard mastery techniques and Hurricane Michael in Panama City As much as I loved writing about these and other stories our close encounters with the people we met along the way are the lifeblood of the book It was a matter of life and death on the rivers in the fall of 2018 Many people shared their lives with us on this journey many people helped to save our lives the lives of total strangers
