*Dancing with Death Thru Senility Into Eternality* Toni Delgado,2002-09-10 We have wondered so far from our Beginning that few of us have memory of who we are or why we are here We have become so disconnected from our Source ourselves each other and this very precious planet that houses and sustains us We have in essence lost touch with our very nature Until we arrive at that place of enoughness until we have championed the conditioning of the programs we volunteered to heal until we have received enough Cosmic Dispensations from the Company of Heaven to speed our evolutionary and ascensionary process until Light Workers have done enough selfless service to raise this sweet Earth out of the quagmire of human miscreations we have work to do I can think of no finer selfless service no finer Karma Yoga than doing the work to return to the natural state that God Goddess intended for us That natural state is the state of Life Everlasting Life Eternal Physical Immortality It is an awesome journey reclaiming this gift and getting there is packed with challenge It is a journey worth doing We must do it at the very least some of us must do it so that it can become commonplace once again so that others can remember
