Simpson,2010-08-02 A B Simpson believed that the greatest need of every human heart is to know the resources and sufficiency of God The scriptural illustrations of God s intervention in multiplied and sometimes miraculous ways are for our encouragement today God s dealings with Elijah and Elisha reveal that He is the God who removes obstacles and intervenes in emergencies God s dealings with Paul show that He displays His power in startling and sometimes painful ways God s dealings with Jacob acknowledge that He patiently works with those who have a bent toward Him no matter what kind of persons they are God s dealings with Esther unfold the fact that God brings together circumstances and individuals to accomplish His will God s dealings with Job affirm that although man s resources are inadequate in times of crisis God provides and restores God wants to be involved with His people Has a purpose and plan for each believer including you [Advancing the Vision](#) Bernie Van De Walle,Benjamin Elliott,Jenny-Lyn de Klerk,2023-02-16 After more than 130 years the Fourfold Gospel Jesus Christ our Savior Sanctifier Healer and Coming King continues to find a ready following and creative expression around the world Its success however means that it has come to be understood expressed and practiced in ways somewhat differently than it originally was This volume written by scholars from across the globe explores these emphases in detail articulating how the passage of well over a century and the crossing of oceans has resulted in the advancing of the original vision **Danger Lines in the Deeper Life** A.
