**End of Time Prophecies** Lowell Litten Jr., The End of Time is near Events in the world wars and rumors of war global warming pandemic diseases weird weather patterns and more are beginning to unsettle both the religious and non religious alike What does it all mean Is there an end to this chaos God is Creator and therefore the owner of time Holding the stopwatch God has revealed that time as we know it will cease to exist The End of Time is a specific point in time when Jesus Christ the Son of Man will send out His angels and they will gather out of His kingdom all things that offend and those who practice lawlessness and will cast them into the furnace of fire There will be wailing and gnashing of teeth Matthew 13 41 42 The character of God is love not misery pain confusion or fear Through His infinite insight and mercy God has revealed to us the events that will lead up to the End of Time Bible prophecy was given to prepare us for the End of Time *End of Time Prophecies* dissects the prophecies found within the books of Daniel and Revelation This book unlocks the mysteries of these prophecies in a simple manner so that all from novice to experienced can see the truths as God desired them to be known No Guessing is required The Bible is its own expositor explaining everything we need to know about the antichrist the mark of the beast the seal of God and what will transpire as the End of Time nears Stop worrying and start reading **Daniel and the Revelation Bound Together** John S. Risbeck,Marian Berry,2010-01-01 The time lines of the book of Daniel extending to the very eve of The Second Coming of Jesus do not give the day and hour of His coming but throw a flood of light on events then to transpire Daniel gives the basic prophecy and Revelation gives a fuller explanation of that prophecy with added detail The authors intend to assist the reader by supplying illustrative pictures maps structure charts revealing alignment and continuity Webster s Dictionary definitions of English words and Strong s Analytical Concordance definitions of original Hebrew This method making the Bible its own expositor does not deny past applications but permits the emphasis to focus on

current events and align with the last ten chapters of The Great Controversy Between Christ and Satan The literary structure charts reveal the future sealing of the 144 000 and ending at the Second Coming of Jesus Laying aside the numerous speculative and conflicting Commentaries the authors desire to use only the Inspired words of the prophets The result is a beautiful orderly picture of the past present and future events so different from the conclusions of numerous theologians who declared the Revelation is so fragmented a puzzle that no one could crack the code and therefore sealed up and to be left alone This book Daniel and Revelation Bound Together will make the study fresh and easy Let this book bring hope and joy to your life and shine as a light to your path

**Daniel/Revelation** Christopher R. Smith,2011-01-21 Two of the most dramatic and mysterious books in the Bible Daniel and Revelation disclose many of their secrets when they re understood as the special kind of writing they are They both use a particular literary form known as apocalyptic to convey their message of warning and encouragement to believers in crisis situations This study guide equips groups to read and understand this kind of writing and to appreciate the messages of Daniel and Revelation for them today The Understanding the Books of the Bible series enables groups to take a new approach to studying the Bible together Instead of following artificial chapter and verse divisions these Bible study guides lead groups through whole books following their natural outlines and pose engaging questions for discussion and personal application all along the way
