A Simplified Grammar of the Danish Language Elise C. Otté, 1884

Guide To Learn Danish Shannan Rodar, 2021-06-16 Most people say the best way

to learn a language is through immersion but in a country like Denmark immersion can be complicated if your first language is English Because almost everyone in the major cities is at least conversant in English it s easy to give up on Danish pretty quickly The remedy it would seem is integrate some of these immersion tricks into your daily routine The information provided in the booklet is also a useful supplement to exercise based language learning so I recommend using it in conjunction with one of the interactive language learning websites that are freely available these days

Concise Encyclopedia of Languages of the World, 2010-04-06 Concise Encyclopedia of Languages of the World is an authoritative single volume reference resource comprehensively describing the major languages and language families of the world It will provide full descriptions of the phonology semantics morphology and syntax of the world s major languages giving insights into their structure history and development sounds meaning structure and language family thereby both highlighting their diversity for comparative study and contextualizing them according to their genetic relationships and regional distribution Based on the highly acclaimed and award winning Encyclopedia of Language and Linguistics this volume will provide an edited collection of almost 400 articles throughout which a representative subset of the world s major languages are unfolded and explained in up to date terminology and authoritative interpretation by the leading scholars in linguistics In highlighting the diversity of the world s languages from the thriving to the endangered and extinct this work will be the first point of call to any language expert interested in this huge area No other single volume will match the extent of language coverage or the authority of the contributors of Concise Encyclopedia of Languages of the World Extraordinary breadth of coverage a comprehensive selection of just under 400 articles covering the world s major languages language families and classification structures issues and dispute Peerless quality based on 20 years of academic development on two editions of the leading reference resource in linguistics Encyclopedia of Language and Linguistics Unique authorship 350 of the world s leading experts brought together for one purpose Exceptional editorial selection review and validation process Keith Brown and Sarah Ogilvie act as first tier guarantors for article quality and coverage Compact and affordable one volume format makes this suitable for personal study at any institution interested in areal descriptive or comparative language study and at a fraction of the cost of the full encyclopedia
