The Cone With the Curl on Top Caroline H. Otis,1990-11-01 **Walter Benjamin at the Dairy Queen** Larry McMurtry,2010-06-01 In a lucid brilliant work of nonfiction Larry McMurtry has written a family portrait that also serves as a larger portrait of Texas itself as it was and as it has become Using an essay by the German literary critic Walter Benjamin that he first read in Archer City s Dairy Queen McMurtry examines the small town way of life that big oil and big ranching have nearly destroyed He praises the virtues of everything from a lime Dr Pepper to the lost art of oral storytelling and describes the brutal effect of the sheer vastness and emptiness of the Texas landscape on Texans the decline of the cowboy and the reality and the myth of the frontier McMurtry writes frankly and with deep feeling about his own experiences as a writer a parent and a heart patient and he deftly lays bare the raw material that helped shape his life s work the creation of a vast ambitious fictional panorama of Texas in the past and the present Throughout McMurtry leaves his readers with constant reminders of his all encompassing boundless love of literature and books *Catalog of Copyright Entries, Third Series* ,1956 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Catalog of Copyright Entries** Library of Congress.
