Sacripower Dr. Benjamin Dadebo,2012-05-17 All power belongs to God and by His discretion power may be given to one individual or the other for use Even Satanic powers are subject to control by the Almighty God The power to change circumstances belongs to God This book will show you how by humility and sacrifice power can be made available for your use Indeed without sacrifice genuine sustainable power cannot be acquired This book also describes how power for financial prosperity is released through tithing In addition the power over demonic control is only achievable through the synergistic effect of fasting and prayer The whole purpose of our existence on Earth therefore is for a selection process for those to rule with Christ in His Kingdom It is therefore important that you go through trials and afflictions which together work in you to break you down converting pride into humility generating patience temperance enhanced faith trust in God and true love At the end of it power is released into your hands which enables you to acquire a position on a throne with Christ Jesus to rule over nations or tribes depending on the level set for you according to the original purpose of od for your life The Life of a Damaged Person Carol D. Harper,2016-07-18 I hope the life of a damaged person helps whoever reads it No matter what race religion or creed male or female young adults middle aged adults I hope within the covers of this book it was something said to help each and every one of you get through your problems heartaches relationships problems trials tribulations or even struggling from a divorce The life of a damaged person was written to and be an example for others who start out in the way of a cocoon and develops into a mature beautiful butterfly The process that was such a challenged of life experiences I

The Order of the Fish Kerry A. Rivers,2010-09 Life is a composition of experiences and in many occasions it will require you to respond to it Life will bring you good experiences and it will also bring you bad experiences and the decisions that you make will have a lasting impact on how others see you and more importantly how you see yourself This is why it is so important to have a good balance in life Having good balance will let you fulfill your pre destined purpose When Jesus began to gather disciples he was fulfilling purpose There were many that received him and many that rejected him but it did not stop his resolve of the task that was set before him He did not take criticism personal it was part of the process and he actually used it as fuel and rejection turned into direction Discover things that you need to know about yourself that you did not realize before you read this book This book will show you how to love yourself and others in spite of the hurt and pain that you may have suffered It will also let you realize that God cares about you more than you think and he is also closer to you right now than you think Regardless of the storms that may be raging in your life God is there to protect you and give you thoughts of peace and not of evil to bring you to an expected end
