There are some things that are unique to Bali and so memorable that they stay with you for years to come. One of these is the marvellous Bali dancing which has become a truly beautiful art form. Kartika Suardana affectionately known as Dewi is a young writer/photographer who was asked to create the introduction section to NOW Bali Magazine from the first issue. She toured the island finding, documenting and photographing the many dance forms one by one and created a memorable opening section to the magazine. We Balinese always welcome people with a dance, she said charmingly. Now here is her work collected over three years designed beautifully into a book to be treasured by visitors for years to come.

[Indonesia-Taiwan Relations](#) Prof. Dr. Tirta Nugraha Mursitama, Ph.D., Dr. Shidarta, M.Hum., Dr. Yi Ying, M.Lit., M.Pd., 2021-05-17

This book is written in Dual Language (English/Mandarin). This book is a collection of researches from the Taiwan Studies Project research team of Bina Nusantara University. This book consists of three parts. First, the relationship between Indonesia and Taiwan in the context of the New Southbound Policy. This part describes the collaboration scheme of the Taiwanese government, industry and high school in Indonesia to improve human resource competencies by providing scholarships for economically disadvantaged Indonesian students to study in Taiwan. It also illustrates the obstacles faced in implementing the New Southbound Policy in Indonesia due to the language and culture constraints of Taiwan and Indonesia. Second part discusses about cross-culture. Through cultural acculturation research, it is hoped that Indonesia and Taiwan will better acknowledge each other's culture and realize the similarities in culture, especially in the Potehi puppet show which is still performed in Taiwan today by using Hokkien. Whereas the Potehi puppet

show in Indonesia already uses Indonesian regional languages besides Hokkien Also the influence of Chinese culture on Betawi Bridal Dress This closeness in history and culture is expected to be the glue of Taiwan and Indonesia relations Last the third part illustrates the BINUS University lecturers visitation to Taiwan They visit several places and Indonesian young people who obtained a scholarship from university in Taiwan From this visitation readers will better understand the good intentions of the Taiwanese government to help the development of the Indonesian economy by providing opportunities for young Indonesians to become educated and trained personnel when they graduate from higher institutions

**The Dance That Makes You Vanish** Rachmi Diyah Larasati, 2013-03-01 Indonesian court dance a purportedly pure and untouched tradition is famed throughout the world for its sublime calm and stillness Yet this unyieldingly peaceful surface conceals a time of political repression and mass killing Between 1965 and 1966 some one million Indonesians including a large percentage of the country's musicians artists and dancers were killed arrested or disappeared as Suharto established a virtual dictatorship that ruled for the next thirty years In *The Dance That Makes You Vanish* an examination of the relationship between female dancers and the Indonesian state since 1965 Rachmi Diyah Larasati elucidates the Suharto regime's dual edged strategy persecuting and killing performers perceived as communist or left leaning while simultaneously producing and deploying replicas new bodies trained to standardize and unify the unruly movements and voices of those vanished as idealized representatives of Indonesia's cultural elegance and composure in bowing to autocratic rule Analyzing this history Larasati shows how the Suharto regime's obsessive attempts to control and harness Indonesian dance for its own political ends have functioned as both smoke screen and smoke signal inadvertently drawing attention to the site of state violence and criminality by constantly pointing out the perfection of the mask that covers it Reflecting on her own experiences as an Indonesian national troupe dancer from a family of persecuted female dancers and activists Larasati brings to life a powerful multifaceted investigation of the pervasive use of culture as a vehicle for state repression and the global mass marketing of national identity
