Bike Battles James Longhurst, 2015-04-15 Americans have been riding bikes for more than a century now So why are most American cities still so ill prepared to handle cyclists James Longhurst a historian and avid cyclist tackles that question by tracing the contentious debates between American bike riders motorists and pedestrians over the shared road Bike Battles explores the different ways that Americans have thought about the bicycle through popular songs merit badge pamphlets advertising films newspapers and sitcoms Those associations shaped the actions of government and the courts when they intervened in bike policy through lawsuits traffic control road building taxation rationing import tariffs safety education and bike lanes from the 1870s to the 1970s Today cycling in American urban centers remains a challenge as city planners political pundits and residents continue to argue over bike lanes bike share programs law enforcement sustainability and public safety Combining fascinating new research from a wide range of sources with a true passion for the topic Longhurst shows us that these battles are nothing new in fact they re simply a continuation of the original battle over who is and isn t welcome on our roads Watch the trailer <https://www.youtube.com/watch?v=WNleJ0tDvqg> *Tribals and Their Culture* Das Kornel, 2006 Study on Koya tribe of Malkangiri District in Orissa State India *Multiblock Quilt Designs* Pepper Cory, 1998-01-01 Familiar patterns take on a dazzling new look through unusual color and placement schemes Color photos of 37 multiblock quilts scores of suggestions for obtaining similarly vibrant results 38 diagrams 7 full size templates
