Daniel Pinkham A Bio Bibliography

Carolyn J. Smith

Daniel Pinkham A Bio Bibliography:

Daniel Pinkham Kee Deboer, John B. Ahouse, 1988-06-27 This bio bibliography catalogs more than 300 musical compositions of the prolific American composer Daniel Pinkham. The compositions reflect Pinkham's success at securing commissions from a variety of individuals and organizations and span his entire career to date as composer, performer, and teacher. The volume commences with a biography and then supplies a complete catalog of works and a selected listing of performances. A discography of commercially produced recordings follows with numbers corresponding to those in the previous sections. The final section is a bibliography which is divided into two parts. The first part lists references to general reviews of Pinkham's work or reviews of more than one composition; the second part consists of reviews of specific pieces. As before, the pieces are cross-referenced to the preceding sections. The volume concludes with four appendixes: a list of works arranged chronologically by date of composition, an alphabetical list of works, the literary texts used in the works listed by author, and biblical sources of the texts.

Daniel Pinkham Kee Deboer, John B. Ahouse, 1988-06-27 This bio bibliography catalogs more than 300 musical compositions of the prolific American composer Daniel Pinkham. The compositions reflect Pinkham's success at securing commissions from a variety of individuals and organizations and span his entire career to date as composer, performer, and teacher. The volume concludes with four appendixes: a list of works arranged chronologically by date of composition, an alphabetical list of works, the literary texts used in the works listed by author, and biblical sources of the texts.

Sourcebook for Research in Music, Third Edition Allen Scott, 2015-06-01 Since it was first published in 1993, the *Sourcebook for Research in Music* has become an invaluable resource in musical scholarship. The balance between depth of content and brevity of format makes it ideal for use as a textbook for students, a reference work for faculty and professional musicians, and as an aid for librarians. The introductory chapter includes a comprehensive list of bibliographical terms with definitions, bibliographic terms in German, French, and Italian, and the plan of the Library of Congress and the Dewey Decimal music classification systems. Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items, this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as ethnomusicology, performance practice, women in music, popular music, education, business, and music technology. These enhancements to its already extensive bibliographies ensure that the *Sourcebook* will continue to be an indispensable reference for years to come.

[Historical Dictionary of Choral Music](#) Melvin P. Unger, 2023-08-14 A Library Journal Starred Review March 2024 praises the book as a remarkable

resource that will please both musical professionals and amateurs along with teachers and their students and conductors and singers Throughout the ages people have wanted to sing in a communal context This desire apparently stems from a deeply rooted human instinct Consequently choral performance historically has often been related to human rituals and ceremonies especially rites of a religious nature Historical Dictionary of Choral Music Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 300 cross referenced entries on composers conductors choral ensembles choral genres and choral repertoire This book is an excellent resource for students researchers and anyone wanting to know more about choral music

Music Library and Research Skills Jane Gottlieb,2017 Concise and engaging this text covers a wide range of reference sources for research in all genres of music Through this practical introduction to the key concepts of music research students will develop a firm understanding of the tools used to gather data including what types of sources exist how they are arranged and how they may best be used to do research

Dictionary of American Classical Composers Neil Butterworth,2013-10-02 The Dictionary of American Classical Composers covers over 650 composers active from the 18th century to today Covering all classical styles it offers the most comprehensive overview of key composers in the United States available Entries include basic biographical information and critical analysis of each composer s key works and ideas Entries also include worklists and bibliographic information Whenever possible the entries will have been checked by the composers themselves to assure greatest possible accuracy This new edition completely updated and expanded from the 1984 edition also includes over 200 historic photographs

Choral Music James Michael Floyd,Avery T. Sharp,2012-07-26 This is an annotated bibliography to books recordings videos and websites on choral music This book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared since publication of the previous edition

Music Reference and Research Materials Vincent Harris Duckles,Ida Reed,Michael A. Keller,1997 This text has been the standard guide to source literature of music and contains critically annotated listings of over 3 500 key sources This comprehensive guide to reference sources is organized into chapters by category of source The text s organization introduces students to a vast array of sources to include Dictionaries and Encyclopedias Histories and Chronologies Sources of Systematic and Historical Musicology Bibliographies of Music Music Literature and Music Business Reference Works on Individual Composers and Their Music Catalogs of Libraries and Musical Instrument Collections Discographies Yearbooks Directories Electronic Resources

Concert Music of the Twentieth Century Mark A. Radice,2003 Concert Music of the Twentieth Century is about concert music music for contemplation rather than for atmosphere The repertoire discussed in these pages was written by composers with something important to say and with skills to do so Many of the works discussed tie in with a long standing Western European tradition of art music but an equal voice is given to

culturally and ethnically diverse composers active during the past several decades Radice provides data about the pieces the composers who wrote them and the contexts in which they originated Our understanding and evaluation of music is a dynamic process and one that is subject to change Music only has meaning within its social contexts and these are expanding daily Many non Western nations have long standing musical traditions and practices that have entered into the Western mainstream just as Western practices and traditions have influenced the musical cultures of the world to produce new and exciting possibilities for music making Diversity has been a key element in the selection of topics for discussion and the examples included here can serve as gateways for other investigations by interested readers This book is a survey presenting a broad array of representative works The personalities explored include composers performers theorists teachers and organizations In many cases the information comes directly from composers whom the author has interviewed The discussions in this book demonstrate that the world of contemporary music is a fascinating one that offers rich rewards to those interested in understanding the vibrant dynamics of concert music

Literature of American Music III, 1983-1992 Guy A. Marco, 1996 Literature of American Music III 1983 1992 is the second supplement to the original Literature of American Music in Books and Folk Music Collections Taken together the three volumes provide a comprehensive inventory of the 5 100 books representing the core literature on American music This volume cites and critically annotates monographs on American music published from 1983 to 1992 but does not include literature in folk music collections More than 1 300 entries cover all aspects of American music including folk blues jazz rock music of major cities festivals the music industry instruments music education and music for TV and film Entries are arranged according to Library of Congress classification numbers which allows librarians to check their own holdings Each citation provides full imprint data ISBN facts about earlier editions series notes references to reviews in standard media descriptions of favorable and unfavorable features and special notes of reference elements such as indexes and bibliographies Includes title and subject indexes Author indexing is included in the Checklist of Writings on American Music 1640 1992

The New Grove Dictionary of Music and Musicians: Paliashvili to Pohle Stanley Sadie, John Tyrrell, 2001 This reference classic has approximately doubled in size since its last publication 20 years ago and the expansion involves more than the thorough revision and addition of articles about music of the past More articles about 20th century composers and composer performers have been added as well as topical articles about the gender related multicultural and interdisciplinary ways that music is now being studied Add to these changes that New Grove is also available online making it a source that would have made its many faceted creator Sir George Grove proud Outstanding reference sources American Libraries May 2002

Fanfare , 1989 **William Walton** Carolyn J. Smith, 1988-11-21 This bio bibliography of one the most important contemporary British composers begins with a brief biographical sketch Works and first performances are listed alphabetically by title and each entry is followed by the relevant bibliographic citation numbers The discography includes

sound recordings in all formats The major portion of the work the bibliography is divided into articles and reviews books theses and dissertations articles by Walton and films The archival section lists collections of Walton s music manuscripts letters and miscellanea Two appendices contain a chronological listing of works and first performances and a works lists arranged by classification An index of individuals and performance ensembles completes the work which will serve as a significant addition to university libraries and departments of music

William Turner Walton 1902-1983 was born in Oldham England He showed an early talent for composition and had written several significant works by 1916 Following his failure to graduate from Oxford Walton took up residence with the Sitwell family in Chelsea and embarked upon one of the most productive phases of his career Acclaimed as a milestone in British choral music *Belshazzar s Feast* premiered in 1931 and its instant success established Walton firmly among the ranks of important contemporary British composers Subsequently Walton began work on his *Symphony No 1* and simultaneously wrote his first film score one of many first class scores he composed for movies including *As You Like It* *Henry V* and *Chekhov s Three Sisters* Walton traveled to Argentina in 1948 where he met and married his wife Susana The couple returned to London but soon relocated to a villa on Ischia an island off the coast of Naples Another fruitful period ensued marked by many important commissions The composer died in 1983 and a foundation was later established for the purpose of transforming the villa into a performing arts center

Albert Roussel Robert Follet, 1988-11-18 Although recognized as one of the greatest French composers of the twentieth century Albert Roussel 1869-1937 has been frequently overlooked in recent years However the publication of this bibliography coincides with a renewed interest especially in Roussel s native land in recording his compositions While the majority of English language works on Roussel have concentrated on the details of his life or attempted to define and analyze his compositional style this first annotated bibliography and discography focuses on his opus and provides copious information about specific works performances recordings and reviews Born in Tourcoing France Roussel received recognition for his compositions as early as 1897 His productivity soared during the 1920s when his work was influenced by Impressionism and his neo classical compositions of the 1930s achieved national recognition The work commences with a biography and then presents a listing voice and includes a directory of publishers A discography broken into similar divisions follows The annotated bibliography covers books and articles about Roussel program notes and writings by the composer Two appendices provide an index to first lines and a chronological list of compositions An index of personal and corporate names completes the reference This bibliography will be an important addition to university libraries and music departments

Cecile Chaminade Marcia J. Citron, 1988-09-27 This first scholarly book on Cecile Chaminade a popular composer pianist and one of the few women to attain critical acclaim as a composer in the early twentieth century contains an extensive biography drawn from a significant

collection of primary sources The study presents basic information including facts not previously published on this neglected composer and it offers a discussion of historical and aesthetic issues inherent in her life and career as well as observations about her musical style The exhaustive bibliography an annotated listing of her prolific output contains a selection of reviews of her compositions and first performances and a brief section identifying her prose works The up to date discography lists every commercially made recording of her individual works anthologies and performances and it includes out of print releases This informative book offers the first detailed presentation of information on the location of Chaminade musical autographs and first editions It fills an urgent need for the basic facts about her life and activities exactly what she composed when and why It also deals with the nature of her performing career and documents critical reviews of both her playing and her compositions This is the only volume of its kind on Chaminade and one of the few available on any women composer It will be an indispensable resource for musicologists and researchers of women composers and French music history as well as a valuable addition to all university and college music libraries

Daniel Pinkham A Bio Bibliography Introduction

In the digital age, access to information has become easier than ever before. The ability to download Daniel Pinkham A Bio Bibliography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Daniel Pinkham A Bio Bibliography has opened up a world of possibilities. Downloading Daniel Pinkham A Bio Bibliography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Daniel Pinkham A Bio Bibliography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Daniel Pinkham A Bio Bibliography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Daniel Pinkham A Bio Bibliography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Daniel Pinkham A Bio Bibliography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Daniel Pinkham A Bio Bibliography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Daniel Pinkham A Bio Bibliography Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Daniel Pinkham A Bio Bibliography is one of the best book in our library for free trial. We provide copy of Daniel Pinkham A Bio Bibliography in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Daniel Pinkham A Bio Bibliography. Where to download Daniel Pinkham A Bio Bibliography online for free? Are you looking for Daniel Pinkham A Bio Bibliography PDF? This is definitely going to save you time and cash in something you should think about.
