Check Your Egos At The Door:

Check Your Egos at the Door G. B. Trudeau, 1985 When forty five major recording artists emerged from their limos outside of A M Studios one balmy night last winter they made a kind of pop history There as eyewitness to that history was G B Trudeau the only major satirist invited to attend the proceedings Several weeks later the cartoonist showed his gratitude by being the first to reveal that the stars had indeed checked their egos at the door as per producer Quincy Jones s request but that more than one had demanded a receipt The coverage could have been worse A few months earlier 3 000 miles east George Bush had checked his manhood into a trust fund and the exclusive reporting of this event in Doonesbury had produced a firestorm of indignation Garry Trudeau is coming out of deep left field the Vice president fumed The American people are going to be speaking out next Tuesday and we ll see whether they side with Doonesbury or the Reagan Bush message The author is currently demanding a recount Back cover *Selling Sunshine* Tony Hartl, 2011 Chock full of practical ways you can overhaul your approach to branding and customer service Tony Hartl s tried and true list of simple actionable strategies grew as his took his start up Planet Tan from an enterprise with three locations in Dallas Texas to seventeen tanning salons sold for millions of dollars thirteen years later Dust jacket flap *Articulating Design Decisions* Tom Greever, 2020-08-03 Talking to people about your designs might seem like a basic skill but it can be difficult to do well In many cases how you communicate with stakeholders clients and other nondesigners may be more important than the designs themselves Because if you can t get their support your work will never see the light of day no matter how good it is This practical guide focuses on principles tactics and actionable methods for presenting your designs Whether you design apps websites or products you ll learn how to get support from people who have influence over the project with the goal of creating the best user experience Walk through the process of preparing and presenting your designs Understand stakeholder perspectives and learn how to empathize with them Cultivate both implicit and explicit listening skills Learn tactics and strategies for expressing the most effective response to feedback Create the right documentation for your decisions to avoid repeated conversations Learn why following through is just as important as the meeting itself **The Unwritten Rules** Guy P Fehr, 2014-06-18 Effective management impacts everything from the front line to the bottom line As workplace leaders the managers that deal most frequently with the front line staff have the greatest impact on a workplace s culture and functionality They are unique in their position to directly impact productivity and growth Couple this with the fact every workplace has its own intrinsic rules that are not written down as policy or process but are every bit as critical to a manager s effectiveness Awareness and adherence to these unwritten rules is key to effective management Inside The Unwritten Rules are twenty of the most important and the most applicable unwritten rules found in most businesses and organizations Non adherence to these rules can negatively impact employees and companies in many ways One usually learns these rules over time as hindsight reveals their reality and importance The Unwritten Rules saves you that time **If**
