Chekhov A Collection Of Critical Essay:

Chekhov Robert Louis Jackson,1987 **Chekhov, a collection of critical essays** Robert Louis Jackson, *Chekhov's Art of Writing* Paul Debreczeny,Thomas Eekman,1977 *Chekhov. A Collection of Critical Essays. Edited by Robert Louis Jackson. [By Various Authors.].* Robert Louis Jackson,1967 **A Collection of Critical Essays** Chekhov,1967 Anton Chekhov Harold Bloom,Sterling Professor of Humanities Harold Bloom,2009 Presents a collection of critical essays on the works of Anton Chekhov Interpreting Chekhov Geoffrey Borny,2006-08-01 The author s contention is that Chekhov s plays have often been misinterpreted by scholars and directors particularly through their failure to adequately balance the comic and tragic elements inherent in these works Through a close examination of the form and content of Chekhov s dramas the author shows how deeply pessimistic or overly optimistic interpretations fail to sufficiently account for the rich complexity and ambiguity of these plays The author suggests that by accepting that Chekhov s plays are synthetic tragi comedies which juxtapose potentially tragic sub texts with essentially comic texts critics and directors are more likely to produce richer and more deeply satisfying interpretations of these works Besides being of general interest to any reader interested in understanding Chekhov s work the book is intended to be of particular interest to students of Drama and Theatre Studies and to potential directors of these subtle plays **Critical Essays on Anton Chekhov** Thomas Eekman,1989 **Interpreting Chekhov's Prose** Leonard A. Polakiewicz,2024-08-06 The essays collected in this book constitute a new contribution to our understanding of the originality and significance of Chekhov s prose A close textual analysis of his work is provided and especially of previously neglected works some long overdue for in depth investigation that Chekhov himself rightfully considered to be masterpieces Analysis of both these and other previously analyzed works offers a new interpretation which contrasts with those offered by previous Chekhov scholars Works examined include those dealing with Chekhov s astonishingly accurate and artistic portrayal of a wide variety of illnesses without the use of any medical terms These works are shown to be not mere clinical studies but genuine impressive works of art The author who suffered half of his life from tuberculosis effectively portrayed many characters afflicted with this disease which was incurable at the time Many of these works reveal an indisputable symbiosis of the doctor and the artist Chekhov maintained that in Goethe the poet lived amicably side by side with the scientist a fitting description of him as well Doctors the most frequently portrayed characters in Chekhov s oeuvre are appropriately subjected to extensive analysis as are the themes of fate and death and dying that figure so prominently in Chekhov s work Attention is accorded to imaginative fictional works dealing with philosophy and the theme of crime and punishment as well as *The Island of Sakhalin* a narrative of non fictional sociological content Anton Chekhov, the Iconoclast Lee John Williames,1989 Lee J Williames views Anton Chekhov as a change agent and iconoclast in a manner similar to Zola and Darwin This study shows that Chekhov was deeply influenced by the scientific method that he was objective in his representations and that he carefully chose what he wrote about It was his

intention to explode stereotypes by clearly and objectively stating the problems of Russian society in his stories He felt that his readers would be moved to accomplish change through individual initiative if they saw clearly what the problems were in Russia To demonstrate these points this work presents an intellectual biography of Chekhov and then examines the objectivity and validity of his views on Russian society [Understanding Chekhov](#) Donald Rayfield,1999 Of all Russian writers Chekhov is one of the best liked and most easily appreciated Yet he is also one of the most elusive Here Donald Rayfield reveals the layers of meaning on which the great dramatist s stories and plays are built He examines his brief twenty year creative life from medical student supplementing his income by writing comic stories to his rapid rise as the father of twentieth century drama and narrative prose [Understanding Chekhov](#) is enriched by revelations from previously unexplored archival material which deepen our understanding of Chekhov s sources preoccupations philosophy and his relations with theater with fellow writers and with contemporary ideas **Handbook of Russian Literature** Victor Terras,1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays *Reference Guide to Russian Literature* Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **A Chekhov Companion** Toby W. Clyman,1985 Product information not available *The Language of Silence* Leslie Kane,1984 Examining the plays of Maeterlinck Chekhov Jean Jacques Bernard Pinter Albee and Beckett this critical study exhibits the eloquence with which silence and inarticulateness portray the experience of inadequacy incompleteness impermanence and uncertainty in early twentieth century drama Moving on to post World War II drama the author explores the use of noneloquent speech and silence to convey the alienation and isolation engendered by the rise of political humanity **The Cambridge Introduction to Chekhov** James N. Loehlin,2010-10-07 Chekhov is widely acknowledged as one of the most influential literary figures of modern times Russia s preeminent playwright he played a significant role in revolutionizing the modern theatre His impact on prose fiction writing is incalculable he helped define the modern short story Beginning with an engaging account of Chekhov s life and cultural context in nineteenth century Russia this book introduces the reader to this fascinating and complex personality Unlike much criticism of Chekhov it includes detailed discussions of both his fiction and his plays The Introduction traces his concise impressionistic prose style from early comic sketches to mature works such as *Ward No 6* and *In the Ravine* Examining Chekhov s development as a dramatist the book considers his one act vaudevilles and early works while providing a detailed act by act analysis of the masterpieces on which his reputation rests *The Seagull* *Uncle Vanya* *Three Sisters* and *The Cherry Orchard* **Twentieth-century Literary Criticism** Gale Research Company,1989 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 **Journal of Dramatic Theory and Criticism** ,2014 [File on Chekhov](#) Nick Worrall,1986 *The Biography Book*

Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals
