Chekhovskii Sbornik:

Interpreting Chekhov's Prose Leonard A. Polakiewicz, 2024-08-06 The essays collected in this book constitute a new contribution to our understanding of the originality and significance of Chekhov's prose. A close textual analysis of his work is provided and especially of previously neglected works some long overdue for in-depth investigation that Chekhov himself rightfully considered to be masterpieces. Analysis of both these and other previously analyzed works offers a new interpretation which contrasts with those offered by previous Chekhov scholars. Works examined include those dealing with Chekhov's astonishingly accurate and artistic portrayal of a wide variety of illnesses without the use of any medical terms. These works are shown to be not mere clinical studies but genuine impressive works of art. The author who suffered half of his life from tuberculosis effectively portrayed many characters afflicted with this disease which was incurable at the time. Many of these works reveal an indisputable symbiosis of the doctor and the artist. Chekhov maintained that in Goethe the poet lived amicably side by side with the scientist a fitting description of him as well. Doctors the most frequently portrayed characters in Chekhov's oeuvre are appropriately subjected to extensive analysis as are the themes of fate and death and dying that figure so prominently in Chekhov's work. Attention is accorded to imaginative fictional works dealing with philosophy and the theme of crime and punishment as well as *The Island of Sakhalin* a narrative of non-fictional sociological content.

Chekhov in Context Yuri Corrigan, 2023-02-23 Premier playwright of modern theater and trailblazer of the short story Anton Chekhov was also a practising doctor, journalist, writer of comic sketches, philanthropist and activist. This volume provides an accessible guide to Chekhov's multifarious interests and influences with over 30 succinct chapters covering his rich intellectual milieu and his tumultuous socio-political environment as well as the legacy of his work in over two centuries of interdisciplinary cultures and media around the world. With a Preface by Cornel West, a chronology and Further Reading list, this collection is the essential guide to Chekhov's writing and the manifold worlds he inhabited.

Anton Chekhov Through the Eyes of Russian Thinkers Olga Tabachnikova, 2012-10-01 The collection is comprised of twelve scholarly essays written by leading Chekhov specialists from around the world, each analysing an interpretation of Chekhov by one of three Russian thinkers of the Silver Age of Russian culture: Vasilii Rozanov, Dmitrii Merezhkovskii and Lev Shestov. It thus examines the hitherto under-researched relationship between the origins and the results of the cultural phase that came to be known as the Silver Age and focuses specifically on the complex connections between Chekhov's legacy and the Russian culture of that period.

About Chekhov Ivan Alekseevich Bunin, 2007-06-05 Seven years after the death of Anton Chekhov, his sister Maria wrote to a friend: "You asked for someone who could write a biography of my deceased brother. If you recall, I recommended Iv. Al. Bunin. No one writes better than he; he knew and understood my deceased brother very well; he can go about the endeavor objectively. I repeat, I would very much like this biography to correspond to reality and that it be written by I. A. Bunin." In *About Chekhov*, Ivan Bunin sought to free the writer from limiting political, social and aesthetic

assessments of his life and work and to present both in a more genuine insightful and personal way Editor and translator Thomas Gaiton Marullo subtitles *About Chekhov The Unfinished Symphony* because although Bunin did not complete the work before his death in 1953 he nonetheless fashioned his memoir as a moving orchestral work on the writer's existence and art Even in its unfinished state *About Chekhov* stands not only as a stirring testament of one writer's respect and affection for another but also as a living memorial to two highly creative artists Bunin draws on his intimate knowledge of Chekhov to depict the writer at work in love and in relation with such writers as Tolstoy and Gorky Through anecdotes and observations spirited exchanges and reflections this memoir draws a unique portrait that plumbs the depths and complexities of two of Russia's greatest writers

Anton Chekhov K. A. Lantz, 1985 [Adapting Chekhov](#) J. Douglas Clayton, Yana Meerzon, 2013

This book considers the hundred years of re-writes of Anton Chekhov's work presenting a wide geographical landscape of Chekhovian influences in drama The volume examines the elusive quality of Chekhov's dramatic universe as an intricate mechanism an engine in which his enigmatic characters exist as the dramatic and psychological ciphers we have been decoding for a century and continue to do so Examining the practice and the theory of dramatic adaptation both as intermedial transformation from page to stage and as intramedial mutation from page to page the book presents adaptation as the emerging genre of drama theatre and film This trend marks the performative and social practices of the new millennium highlighting our epoch's need to engage with the history of dramatic forms and their evolution The collection demonstrates that adaptation as the practice of transformation and as a re-thinking of habitual dramatic norms and genre definitions leads to the rejuvenation of existing dramatic and performative standards pioneering the creation of new traditions and expectations As the major mode of the storytelling imagination adaptation can build upon and drive the audience's horizons of expectations in theatre aesthetics Hence this volume investigates the original and transformative knowledge that the story of Chekhov's drama in mutations offers to scholars of drama and performance to students of modern literatures and cultures and to theatre practitioners worldwide

Chekhovskii Sbornik Introduction

In today's digital age, the availability of Chekhovskii Sbornik books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Chekhovskii Sbornik books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Chekhovskii Sbornik books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Chekhovskii Sbornik versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Chekhovskii Sbornik books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Chekhovskii Sbornik books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Chekhovskii Sbornik books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Chekhovskii Sbornik books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Chekhovskii Sbornik books and manuals for download and embark on your journey of knowledge?
