By the early months of 2012 it was clear that the appointment of Andre Villas Boas as head coach at Chelsea wasn t delivering the required success Instead the club was spiralling towards its worst season of the Roman Abramovich era On 4 March Villas Boas was dismissed with his former assistant Roberto Di Matteo made interim head coach until the end of the season Struggling in the league and with their place in the Champions League in peril it was an

appointment designed to make the best of things until a permanent replacement could be sought in the summer. Instead, under Di Matteo's guidance, Chelsea embarked on a run of performances that not only led to an FA Cup triumph but resurrected their European hopes with improbable victories over Napoli, Benfica, and Guardiola's all-conquering Barcelona before, against all odds, winning the Champions League by defeating Bayern Munich in their own stadium. This is the story of a triumph that came out of the blue.

**Lies That Chelsea Handler Told Me** Chelsea Handler, 2011-05-10. A hilarious 1 best-selling collection of essays from those nearest and dearest to comedian Chelsea Handler: the people she's lied to. My tendency to make up stories and lie compulsively for the sake of my own amusement takes up a good portion of my day and provides me with a peace of mind not easily attainable in this economic climate.

Chelsea Handler from Chapter 10 of Chelsea Chelsea Bang Bang. It's no lie. Chelsea Handler loves to smoke out dumbassness, the condition people suffer from that allows them to fall prey to her brand of complete and utter nonsense. Friends, family, co-workers: they've all been tricked by Chelsea into believing stories of total foolishness and into behaving like total fools. Luckily, they've lived to tell the tales and for the very first time write about them.
