

Cherokee Ghost Dance

John D. Loftin, Benjamin E. Frey

Cherokee Ghost Dance:

The Cherokee Ghost Dance William Gerald McLoughlin, Walter H. Conser, Virginia Duffy McLoughlin, 1984 In these essays a distinguished historian analyzes how the Indian nations of the Southeast grappled with nationalism slavery and missionaries Against the background of this combined onslaught on their cultural identity McLoughlin describes what the Indians did to preserve what they considered most important The fate of Native Americans was inextricably bound up with the most vital questions of national life Publisher s description [The Cherokees and Christianity, 1794-1870](#) William G. McLoughlin, 2008 In *The Cherokees and Christianity* William G McLoughlin examines how the process of religious acculturation worked within the Cherokee Nation during the nineteenth century More concerned with Cherokee Christianization than Cherokee civilization these eleven essays cover the various stages of cultural confrontation with Christian imperialism The first section of the book explores the reactions of the Cherokee to the inevitable clash between Christian missionaries and their own religious leaders as well as their many and varied responses to slavery In part two McLoughlin explores the crucial problem of racism that divided the southern part of North America into red white and black long before 1776 and considers the ways in which the Cherokees either adapted Christianity to their own needs or rejected it as inimical to their identity

The Ghost-dance Religion and the Sioux Outbreak of 1890 James Mooney, 1991-01-01 Responding to the rapid spread of the Ghost Dance among tribes of the western United States in the early 1890s James Mooney set out to describe and understand the phenomenon He visited Wovoka the Ghost Dance prophet at his home in Nevada and traced the progress of the Ghost Dance from place to place describing the ritual and recording the distinctive song lyrics of seven separate tribes His classic work first published in 1896 and here reprinted in its entirety for the first time includes succinct cultural and historical introductions to each of those tribal groups and depicts the Ghost Dance among the Sioux the fears it raised of an Indian outbreak and the military occupation of the Sioux reservations culminating in the tragedy at Wounded Knee Seeking to demonstrate that the Ghost Dance was a legitimate religious movement Mooney prefaced his study with a historical survey of comparable millenarian movements among other American Indian groups In addition to his work on the Ghost Dance James Mooney is best remembered for his extraordinarily detailed studies of the Cherokee Indians of the Southeast and the Kiowa and other tribes of the southern plains and for his advocacy of American Indian religious freedom

[People of Kituwah](#) John D. Loftin, Benjamin E. Frey, 2024-04-30 According to Cherokee tradition the place of creation is Kituwah located at the center of the world and home to the most sacred and oldest of all beloved or mother towns Just by entering Kituwah or indeed any village site Cherokees reexperience the creation of the world when the water beetle first surfaced with a piece of mud that later became the island on which they lived *People of Kituwah* is a comprehensive account of the spiritual worldview and lifeways of the Eastern Cherokee people from the creation of the world to today Building on vast primary and secondary materials native and non native this book provides a window into not only

what the Cherokees perceive and understand their notions of space and time marriage and love death and the afterlife healing and traditional medicine and rites and ceremonies but also how their religious life evolved both before and after the calamitous coming of colonialism Through the collaborative efforts of John D Loftin and Benjamin E Frey this book offers an in depth understanding of Cherokee culture and society **A Dream of the Judgment Day** John Howard Smith,2021 The United States has long thought of itself as exceptional a nation destined to lead the world into a glorious future But what is at the root of these convictions John Howard Smith s *A Dream of the Judgment Day* explores the origins of beliefs about the biblical end of the world and how this belief led to the idea that the United States is an exceptional nation with a unique destiny to fulfill However these beliefs implicitly and explicitly excluded African Americans and American Indians because they didn t fit white Anglo Saxon ideals while women and marginal groups were likewise influential in ways that have not been adequately explored Featuring a broadly diverse cast of historical figures *A Dream of the Judgment Day* synthesizes more than forty years of scholarship into a compelling and challenging portrait of early America *Cherokee-Examiner* ,1969 **American Indian Quarterly** ,2001 **Reference Encyclopedia of the American Indian: without special title** Barry T. Klein,1986 Lists and describes thousands of Native American associations organizations and centers reservations and tribal councils museums monuments and libraries schools colleges and health services films and videocassettes magazines newspapers and newsletters publications in print books and 1500 biographies of notable Native Americans and non Indians active in Indian affairs **Catholic Builders of the Nation** Constantine Edward McGuire,1923 **The New International Encyclopaedia** ,1905 **The New International Encyclopædia** Daniel Coit Gilman,Harry Thurston Peck, Frank Moore Colby,1903 *The New International Encyclopæia* Daniel Coit Gilman,Harry Thurston Peck, Frank Moore Colby,1909 *Cultivating the Rosebuds* Devon A. Mihesuah,1993 Established by the Cherokee Nation in 1851 in present day eastern Oklahoma the nondenominational Cherokee Female Seminary was one of the most important schools in the history of American Indian education Unusual among Indian schools because it was founded by neither the federal government nor by missionary agencies the school offered a rigorous curriculum from elementary grades through high school that was patterned after that of Mount Holyoke Female Seminary It offered no instruction in the Cherokee language or culture but it was open only to full and mixed blood Cherokee girls Many of the seminarians were acculturated Cherokees who welcomed the opportunity to study in an environment where white ways were held up as the ideal More traditional Cherokees found the atmosphere oppressive Devon Mihesuah explores the school s history examining curriculum faculty administration and educational philosophy and showing how these elements affected the 2 300 women who were educated there A number of the seminary s graduates went on to study at colleges and universities across the country becoming teachers physicians businesswomen and social workers Even those former students who did not seek careers exerted considerable influence within their families and in civic life *Cultivating the Rosebuds* is a study of acculturation

assimilation and tribal identity sensitively delving into the differences between progressive and traditional Cherokees and the interactions between them It also offers insights into the school s role in the tribe s cultural transitions the changing roles of Cherokee women and the impact of the students experiences upon their tribe

Yelesalehe Hiwayona Dikanohogida Naiwodusv Qwo-Li Driskill,2008 This dissertation examines the importance of performed and embodied rhetorics to Cherokee survival and resistance and argues for performance as a primary site of Native cultural continuance and rhetorical production Two historiographic studies are central to making this argument The first *Indian In The Archive Performance Historiography as Cherokee Ghost Dance* Chapter Three looks to the Cherokee Ghost Dance and the Redbird Smith movement as models for radical decolonial performative historiography With a particular focus on recovering a history of nineteenth century Cherokee theatre this chapter focuses on how archives are and can be used by Cherokee people to re establish dormant and or obscured Cherokee performance traditions and histories The second study *On The Wings Of Wadaduga Towards the Performance of Two Spirit Critiques* Chapter Four focuses on revising both archived and embodied records through the development of an historiographic performance with Two Spirit Gay Lesbian Bisexual Transgender and Queer identified Cherokees This chapter examines performance as historiography and argues for performance as a means to revise both archival and embodied cultural memories Both studies are grounded in the methodological concepts of special characters omitted *duyuk ta balance* and special characters omitted *gadugi cooperative labor* as a way of conceiving decolonial scholarship practice and pedagogy within the field of rhetoric and composition
