Cherry Ames Student Nurse In Student Nurse Cherry starts nursing school at Spencer with a mixture of anxiety and anticipation would she have what it takes to be a nurse She leaves her quiet town of Hilton Illinois for the bustle of hospital life to meet challenges she wouldn't have imagined The U S is at war Many nurses have gone to the front and there is a shortage of RNs at Spencer which Cherry and her classmates help to fill as they learn the skills they need to graduate And who is the mysterious patient in the secret room that no one seems to know anything about Should Cherry risk expulsion to save his life Cherry Ames Senior Nurse In Senior Nurse Cherry realizes that a senior really must be a little more sober and responsible perhaps she should have warned the head nurse right away about the rabbit that had been smuggled into the pediatric ward But the children had enjoyed it so As lofty seniors Cherry and her friends each adopt a probationer first year student to mentor Why did her probie have to be dull and sullen Mildred Burnham Dr Joe Fortune has discovered a new way to synthesize penicillin which could make a life or death difference on the battle front But how did word of it become common knowledge around Spencer Cherry discovers that Mildred has more to her than she thought as together they face the dangerous thieves who have stolen Dr Joe's formula Cherry Ames Army Nurse In Army Nurse Cherry has made the difficult decision facing all her classmates should she enlist in the military or practice nursing on the homefront She's graduated from Spencer and earned the right to put RN after her name and as an Army nurse she is now Lieutenant Ames The Army nurses are also soldiers and endure a grueling basic training under the harsh Sergeant Deake whom Cherry nicknames Lovey much to his chagrin No one knows where the Spencer unit will be deployed until they are shipped off without warning to Panama

City Who is the mysterious old Indian whom Cherry and her corpsman Bunce find collapsed in an abandoned house He is obviously very ill but with what Can Dr Joe s newly developed serum help Cherry Ames Chief Nurse In Chief Nurse Cherry is whisked off to a new assignment on an island in the Pacific close to the battlefield as Acting Chief Nurse Colonel Pillsbee thinks she is too young and pretty to successfully supervise sixty nurses and 200 corpsmen Can she do it For the first time Cherry and the nurses of the Spencer unit have to work under fire in a makeshift tent hospital uncomfortably close to the fighting When the casualties pour in the nurses and doctors work night and day constantly under danger of attack by the Japanese When the other Lieutenant Ames Cherry s twin brother Charlie is unexpectedly stationed nearby Charlie and Cherry piece together the mystery behind the silence of an injured pilot which involves a secret enemy weapon Click here to read about Cherry Ames in The New York Times [Cherry Ames Set, Books 1-4](#) Helen Wells,2020-07-28 **Cherry Ames, Student Nurse** Helen Wells,1943 An excited eighteen year old Cherry Ames enters the training program at Spencer Hospital that will lead her to a nursing career in just three years [Nursing the Image](#) Julia Hallam,2000 Julia Hallam considers the image of nursing and how it has been constructed contributing to the debates surrounding gender and occupational identity [The Handover](#) Tilda Shalof,2025-12-15 In The Handover nurse Tilda Shalof shares her knowledge and vast experience with student nurse Lisa Mochrie Their relationship unfolds through conversations texts emails and real time meetings that span the COVID 19 pandemic to the present day As Shalof reflects on what has changed in the profession she also seeks to identify the universal practices values and nursing ethos that must be preserved She and Mochrie discuss clinical challenges and personal struggles from the rigours of nursing school and shift work to the stresses of adulting such as dating friendships identity self care and the search for balance This book offers practical advice and novel perspectives on long standing issues such as the meaning of the term nursing shortage and how to combat the pervasive problem of burnout It explores compassion fatigue emotional intelligence boundary setting bias and privilege awareness and the aspiration to provide person centered care The Handover is a candid often humorous and deeply intimate look into the world of nursing which is too often overlooked by the media or regarded through overly sentimental stereotypes Accessible to all readers and invaluable to students and educators this book will stimulate critical conversations about what it means to care for others and oneself and how to repair our precious but precarious health care system [Cherry Ames, Student Nurse \(16pt Large Print Edition\)](#) Helen Wells,2011-05-14 Cherry Ames is back just as you remember her The books are just as you remember them retaining the same look feel and sense of adventure and patriotism as when they were first published With fully illustrated color covers and a soft finished hardcover format just like the originals these books will transport you back to the days when you were reading about this spunky young nurse Series editor and registered nurse Harriet Forman was inspired by and remains a devoted fan of Cherry Ames I was going to follow in her footsteps and become a nurse nothing else would do The United States is still fighting World War II Cherry Ames is still an Army Nurse this time aloft as a flight nurse Cherry

is reunited with her corpsman Bunce the two of them are in sole charge of ferrying severely wounded men out of the battlefield and to the nearest Army hospital Much to Pilot Wade Cooper's chagrin he has been taken off bomber duty to fly the wounded to safety until Cherry makes him see otherwise Off duty the nurses adopt 6 year old Muriel Grainger who has known nothing but war in her short life and whose mother has been killed by the Germans Her father is often out on mysterious errands that cause some to label him a spy Cherry makes it her risky business to find out if this is truth or rumor

girl reader Girls series reveal how over time the ideal girl trope strengthens and becomes naturalized through constant reiteration From the transitional girl at the turn of the century in Dorothy Dale to the liberated romantic of Sweet Valley High these texts provide girls with an appealing model of girlhood urging all girls to aspire to the unattainable ideal Out of Reach illuminates the ways in which the ideal girl trope accommodates social changes taking in that which makes it stronger and further solidifying its core
