Upwork Essentials John Morris,2020-08-14 What does it REALLY take to be successful on Upwork The 20% that will create 80% of your results That s the point of Upwork Essentials to teach you that 20% When I first started on Upwork everybody told me I had to pay my dues build my job history with small projects get to Top Rated status and THEN I could start landing bigger projects and making real money Instead the first project I landed was for 2191 78 Not bad for a complete beginner I landed several more projects like that and hit over 10K in earnings in my first few months Years later I decided to teach what I knew about Upwork THIS book though is a distillation of what I did in those first few months to get started so quickly A method I ve taught now to over 6 000 students many of whom who have seen a dramatic change in their results in just days Even more who ve applied the principles long term and built sustainable freelance businesses for themselves using Upwork Of course the book is NOT for everyone If you re looking for whiz bang or bright and shiny this book isn t for you because it s really about fundamentals Understanding how Upwork s Search and Suggestion actually works building your profile to rank higher in that engine and bidding on jobs that fit the overall strategy instead of focusing solely on the money If you re new to Upwork or have been on the platform for awhile but have struggled this book is for you I ll teach you my Rank and Relevance Framework to start getting clients right away and build a sustainable Upwork business

Diana's Freelance Tips Diana Marinova,2016-12-06 An insider s take on how to break into the Upwork market If you are a freelancer hoping to break into the Upwork job market this book will save you hours of browsing through free blog posts and forums You might be thinking why pay for this information when with a little diligence I can find this info all over the web Here s why 1 This author has managed to build a quite successful translate lucrative career on Upwork way back when it was still oDesk and Elance She knows that ins and outs of this platform 2 She s been on both sides of the equation hiring people herself and pitching and wininng major bids for projects and contracts 3 There are many things that you only learn after years and years of working through this platform and she s privy to most of this knowledge Now you can benefit from her experience I ve known people who ask me for advice on how to get started on Upwork These days instead of giving them a lengthy explanation I just email them a link to this e book it has everything they need to know and more Chrystina and Brian Amazon Customer It was an AWESOME book starting a freelance career Thanks Diana for this COOL info Would recommend every Freelance beginner reading this book before starting and along the way I have got a lot from this book and

have started from scratch on Upwork it does help you create your first base ground to launch a successful freelance business Amazon Customer What I liked the most about the book is that it motivates and inspires you The author gives you some homework and you will appreciate the value of the book right at the moment you start doing the first homework Ilian Yankulov Freelancer Project Manager working remotely for a Danish Digital Agency This book is the direct result of Diana Marinova s extensive experience as a freelance marketing consultant and the many questions she receives on a daily basis from the fellow freelancers who read her blog What experience you ask She has completed more than forty freelance projects She is a top rated freelancer on Upwork formerly oDesk with 6 500 paid hours and even more if counting the hours spent working on fixed price jobs Clients continuously rate her work with the maximum review rating of five stars Today she fully enjoys the freelance lifestyle traveling the world while making a good living working online Her market rates range from 40 per hour for hourly jobs all the way up to 100 per hour when working on fixed price projects And she sure made a lot of mistakes early on in her freelance career for example she was selling herself short when working for as low as 7 per hour during the first few months Don t make rookie mistakes when you can learn from hers Download the sample of the book and see what s in it But be warned this book is not a silver bullet for success You have to roll up your sleeves and work hard to achieve your goals If you are committed to succeed this book is everything needed to kick start your freelance practice on Upwork formerly oDesk Diana tells her story while also walking you through all the steps needed to lay a solid foundation for your freelance business on Upwork In the end of each chapter she includes action items a k a homework assignments to help you put all tips in practice right away Have a look inside to see the Table of Contents and the first couple of book sections

Confessions of a Freelancer Michael H Fleischner, 2023-01-02 *Confessions of a Freelancer* is today s leading guide on starting growing or scaling your freelance business Even if you re working in a full time job you can create the life you want through a side hustle you enjoy Many people don t realize that freelancing isn t an all or nothing game In fact it s the only true way to break free from the monotony of working a 9 to 5 job What if you could go from dreading work to truly enjoying your work doing what you love day in and day out feeling more fulfilled It would change your life My name is Michael Fleischner and I made the transition from full time corporate work to living my dream as a freelancer All of this was made possible through adopting a freelance mindset developing the confidence to go out on my own and following proven strategies for successful freelancing The best part is that anyone can start a side hustle and achieve similar results Freelancing is a great way to earn extra income It can also become the way you make a living This guide shares my personal journey transitioning from a desire to climb the corporate ladder to freelancing full time My journey wasn t unique except that I m probably the last person you would ever suspect would make a living as a freelancer I was raised to believe that you made money by working for a corporation and clawing your way to the top Now looking back I know it was a lie The fear of having your own business is 100% misguided I was led to believe by those who never ran their own business that it was hard

difficult and came with too many risks None of it was true And it all started with a little side project My journey began with a little editing here some writing there and some consulting It wasn't long before I started taking on more and more projects after work and on the weekends I told myself if there ever came a day when I was making the same money freelancing that I was making in my full time job then I'd make the leap That day came sooner than I expected Within a few years of taking on a side hustle or two I made the transition to living my dream Making the leap has given me wealth freedom and most importantly a sense of satisfaction What I learned along the way is shared in this ultimate guide to freelancing The journey hasn't always been easy but it sure does pay dividends Today I run my own digital marketing agency leveraging dozens of staff and freelancers to deliver quality services to customers And most importantly I couldn't be happier I'm doing what I'm most passionate about and working with people whom I genuinely care for In this guide I reveal specific ways to set up your freelance business for success How to position and price your services You'll also learn how to find customers automate processes and accelerate your growth Whether you want to generate an additional 500 per month freelancing 1 000 per month 10 000 per month or more these strategies are proven to get you there Remember freelancing isn't an all or nothing game You can start with a small project and go from there If you want to grow as an individual financially and explore your passion you must begin with the first step This guide will lead you through this amazing journey called freelancing While you're on your journey I encourage you to join me and other freelancers on the Freelance Training Academy community Freelancing can be a solo journey but it doesn't have to be Instead connect with other freelancers and let this community be your support See you at the top
