Checkhovs Leading Lady:

Checkhov's Leading Lady Harvey J. Pitcher, 1980 A biography of a leading actress of the Moscow Art Theatre who became the wife of Anton Chekhov three years before his death **The Cambridge Companion to Chekhov** Vera Gottlieb, Paul Allain, 2000-11-04 This volume of specially commissioned essays explores the world of Anton Chekhov one of the most important dramatists in the repertoire and the creation performance and interpretation of his works The Companion first published in 2000 begins with an examination of Chekhov's life his Russia and the original productions of his plays at the Moscow Art Theatre Later film versions and adaptations of Chekhov's works are analysed with valuable insights also offered on acting Chekhov by Ian McKellen and directing Chekhov by Trevor Nunn and Leonid Heifetz The volume also provides essays on special topics such as Chekhov as writer Chekhov and women and the Chekhov comedies and stories Key plays such as *The Cherry Orchard* and *The Seagull* receive dedicated chapters while lesser known works and genres are also brought to light The volume concludes with appendices of primary sources lists of works and a select bibliography

Checkhov Philip Callow, 2001-08-15 Philip Callow's new biography of Russia's greatest dramatist and storyteller is a major achievement By examining Chekhov's life within the context of the evolution of his art Mr Callow makes the reader acutely aware of the hidden ground from which Chekhov's work sprang and on which his divided life stood Arthur Miller calls Chekhov in nearly every way our contemporary His irony is as modern as Beckett's as a letter writer he is as natural and irresistible as D H Lawrence In his personal life he is as understated as in his work But the love theme that is central to his biography and his art is profoundly convincing and humane but in his own life he holds back coldly and perhaps fearfully from real commitment He constantly surprises us a modest genius who finds the whole nature of fame unseemly a man furious at injustice who is apolitical a humorist in despair before the mediocrity stupidity and cruelty of the world a generous spirit unable to stop working to improve the lot of others incapable of turning anyone away who remains stubbornly apart and hidden Readers of Mr Callow's Chekhov will find it a supremely satisfying biography beautifully told Reading Chekhov Janet Malcolm, 2007-12-18 To illuminate the mysterious greatness of Anton Chekhov's writings Janet Malcolm takes on three roles literary critic biographer and journalist Her close readings of the stories and plays are interwoven with episodes from Chekhov's life and framed by an account of Malcolm's journey to St Petersburg Moscow and Yalta She writes of Chekhov's childhood his relationships his travels his early success and his self imposed exile always with an eye to connecting them to themes and characters in his work Lovers of Chekhov as well as those new to his work will be transfixed by Reading Chekhov Seeing Chekhov Michael C. Finke, 2018-07-05 Chekhov's keen powers of observation have been remarked by both memoirists who knew him well and scholars who approach him only through the written record and across the distance of many decades To apprehend Chekhov means seeing how Chekhov sees and the author's remarkable vision is understood as deriving from his occupational or professional training and identity But we have failed to register let alone

understand just what a central concern for Chekhov himself and how deeply problematic were precisely issues of seeing and being seen from the Introduction Michael C Finke explodes a century of critical truisms concerning Chekhov's objective eye and what being a physician gave him as a writer in a book that foregrounds the deeply subjective and self-reflexive aspects of his fiction and drama In exploring previously unrecognized seams between the author's life and his verbal art Finke profoundly alters and deepens our understanding of Chekhov's personality and behaviors provides startling new interpretations of a broad array of Chekhov's texts and fleshes out Chekhov's simultaneous pride in his identity as a physician and devastating critique of turn of the century medical practices and ideologies Seeing Chekhov is essential reading for students of Russian literature devotees of the short story and modern drama and anyone interested in the intersection of literature psychology and medicine

Chekhov and Women Carolina de Maegd-Soëp, 1987 *The Polemical Force of Chekhov's Comedies* John McKellor Reid, 2007 This work is a revisionist study of Anton Chekhov's drama which points out for the first time the rhetorical and polemical elements that have remained unnoticed or unmentioned in previous studies This work will appeal to scholars interested in Chekhov's plays and the polemical force of drama emasculate the polemical force Chekhovian comedy out of misplaced respect for his renowned objectivity and his loathing of overt moralizing A rhetorical framework of analysis is predicated upon the assumption that all writings are implicated in interestedness the critic's task is to uncover the rhetorical parameters and nature of that interestedness Through analyses of each of Chekhov's plays in its original context the author identifies the rhetorical potential that remains neglected in contemporary readings and productions All of the readings in this study are addressed to actors and directors inviting them to reassess and reclaim the force of these plays for our time

Chekhov on Theatre Anton Chekhov, 2013-04-01 Chekhov started writing about theatre in newspaper articles and in his own letters even before he began writing plays Later he wrote in detail about his own plays to his lifelong friend and mentor Alexei Suvorin his wife and leading actress Olga Knipper and to the two directors of the Moscow Art Theatre Stanislavsky and Nemirovich Danchenko Collected here in Stephen Mulrine's vivid translations these writings reveal Chekhov's instinctive curiosity about the way theatre works and his concerns about how best to realize his own intentions as a playwright Often peppery passionate even distraught as he feels his plays misinterpreted or undermined Chekhov comes over in these pages as a true man of the theatre *Women in Russia and the Soviet Union* Rochelle Goldberg Ruthchild, 1993 Cites nearly 900 works written in or translated into English that contain significant information or ideas about women or gender Includes encyclopedia and journal articles bibliographies histories poetry autobiographies dissertations and works of sociology and psychology Arranged in chronological sections stretching from the ancient period through the empire and revolutions to the end of the Soviet Union in 1991 The annotations are descriptive Annotation copyright by Book News Inc Portland OR

Chekhov's Three Sisters Gordon McVay, 1995 Chekhov's penultimate play has inspired a bewildering variety of interpretations since its premi re at the Moscow Arts Theatre on 31 January 1901 Three Sisters has been viewed both as tragedy and as comedy as a poignant testimony to the eternal yearning for love happiness beauty and meaning and as a devastating indictment of the folly of inert gentility and vacuous day dreaming Its characters have been deemed worthy embodiments of the universal human condition keenly experiencing hope disappointment frustration loneliness and the passage of time or passive products of pre revolutionary Russian privilege remnants fit only for the scrap heap of history This study analyses the plot characters and themes of the play before discussing its reception by Russian and English language critics and upon the Russian and British stage **Chekhov, the Early Stories, 1883-1888** Anton Pavlovich Chekhov, 1983
