Blue Tomorrow? Mark Meehan,2000 From its formation in 1905 Chelsea have been regarded as the most glamorous of clubs Visitors to the Bridge have included Hollywood actresses Prime Ministers Cabinet Ministers and even an American Secretary of State complete with Secret Service entourage But while famous names seem attracted to Chelsea s proximity to London s West End the team has often disappointed More recently Chelsea have become one of the most successful of the new breed of Premiership clubs Under Bates Stamford Bridge has become home to 39 businesses ranging from travel agencies to banks restaurants and hotels to insurance companies with the express aim of insuring his football club against the inconsistencies and dangerous internal feuding that have hamstrung previous chairmen Over the past 6 years Chelsea has undergone a revolution but along with progress has come rampant commercialism as one Chelsea fan noted loyalty is measured by how much you can spend rather than how much you care The life long emotional bond that forms between a football club and its supporters is now almost a weakness there to be exploited by the money drunk millionaires that have taken over our sacred game Life long Chelsea fan Mark Meehan discovers a club in a hurry an ageing chairman frantic to win the championship before he retires a club facing mounting debts an expensively assembled playing staff and a new manager brought in because the old one could only deliver five trophies in three seasons Clearly nearly 20 years after assuming control Ken Bates is still chasing his elusive Blue Tomorrow but as Meehan discovers he is in danger of losing control of his own club with potentially disastrous consequences

The Top Books of the Year Chelsea Blues The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
