Chequered Flag:

Taking the Chequered Flag Michael Panckridge, Pam Harvey, 2010-05-01 It's all about boys and bikes and the high energy thrill of motocross racing Emilio De Luglio E D is the youngest of three brothers all of them motocross enthusiasts As the youngest he's always been support crew fixing up his brothers bike rather than racing But this time as a result of losing a bet with his brother Tony he's reluctantly competing in a race It doesn't seem as if the race track is a level playing field though there are some mysterious riders in lime green bikes who don't play fair and there's a whiff of high tech cheating going on around Proctor's Powerhouse suppliers of motorbikes and gadgets which seems to have developed into a thriving business in a suspiciously short time And there's also a legendary motocross track through the old railway system including a tunnel No one's ever done this dangerous track in less than 15 seconds before but plenty are game to try including E D's brothers When a serious crash puts his older brother Tony in hospital E D must step up to the job and compete on his behalf even though he knows he doesn't have much of a chance to get through to the finals But E D proves once again his capacity to surprise everyone in an unexpected way Ages 10-13
