Developmental Disabilities And Sacramental Access New Paradigms For Sacramental Encounter:

Developmental Disabilities and Sacramental Access Herbert Anderson, 1994 Is a developmental disability an appropriate reason to bar a baptized person from the sacraments This is the disturbing question that generated this book The pastoral reality is that Roman Catholics with developmental disabilities are often barred from sacraments Sometimes they are subject to discrimination or face unusual obstacles in the sacramental life of the Church *Understanding Sacramental Healing* Father John Kasza, 2022-01-07 The sacrament of the Anointing of the Sick plays a significant role in the lives of many throughout the Church but confusion over the sacrament can result in individuals not receiving this important comfort from the Church *Understanding Sacramental Healing Anointing and Viaticum* explores the rich history of the sacrament and addresses the changes that have occurred since the Second Vatican Council by providing a theological basis for the history and pastoral practice of the sacrament of the sick Father John Kasza offers a cohesive and concise synthesis of the disciplines of theology canon law medicine anthropology and liturgy geared toward assisting the practitioner in using the ritual to the fullest extent possible He also builds a greater appreciation of the sacrament and its part in the Church's role as healer in today's society By recognizing the theological tradition of the sacrament of the sick *Understanding Sacramental Healing Anointing and Viaticum* becomes an incisive reflection on the current state of the sacrament that will bring all priest and ministers of care to a greater understanding of the sacrament The author examines the liturgical development of the sacrament in light of the Second Vatican Council The practical implementation of the sacrament in both parish and diocesan venues in the 40 years since the close of the Council The nature of illness how illness affects someone and how the Church responds to those suffering from an illness The criteria for the reception of the sacrament and how its use may be broadened

Engraved Upon the Heart Hwarang Moon, 2015-07-17 How does liturgy impact the formation of faith The Protestant Church has traditionally emphasized human reason and doctrinal knowledge But there is another method with great formative power participation in liturgy Human beings gain important knowledge not only through traditional cognitively focused learning but also through practice and participation And because knowledge is wholistic an inability to express an idea in language does not necessarily signify an absence of knowledge This book shows how liturgy transmits knowledge that transcends human reason We repeat the liturgy in weekly public worship and its contents are inscribed on our minds and bodies Contrary to common belief this is also true for children and cognitively challenged individuals They may be unable to verbally express the contents of their faith in a way that satisfies normal adult expectations but these two groups of people are capable of rich religious experiences This book explores how welcoming them into experience and practice of worship and sacrament can benefit children cognitively challenged church members their families and the church community as a whole and makes us all a more inclusive community in Christ *The Liturgy Documents, Volume Two* Rev. Michael S. Driscoll, Rev. Msgr. Richard B. Hilgartner, Maureen A. Kelly, Rev. John Thomas Lane, SSS, Rev. James Presta, Corinna

Laughlin, Jim Schellman, D. Todd Williamson, Rev. Paul Turner, Catherine Combier-Donovan, Diana Macalintal, Sr. Genevieve Glen, OSB, Rev. H. Richard Rutherford, CSC, Michael R. Prendergast, Claire M. Gilligan, Deacon Francis L. Agnoli, Rev. Patrick R. Lagges, 2014-04-16 An indispensable resource for clergy students and liturgists this revised volume assembles the liturgical documents needed for the study and preparation of parish sacramental rites and other liturgies such as Masses with children the Liturgy of the Hours and Eucharistic adoration This second edition now includes the praenotanda from the sacramental rites along with additional documents needed to prepare the Mass blessings and the Sacred Paschal Triduum A pastoral overview introduces each document explaining the purpose of the document the degree of its authority and its practical implications With an extensive index and a glossary of terms this volume is designed for easy navigation and frequent reference

Embodying Community Michael Alexander Walker, 2018 This project asserts that in and through churchly communities that embrace the sacraments evocation of God's gracious invitation to inclusion people with disabilities require critical facets of access to God's transformative equality and justice It makes this claim in five distinct but connected ways via an introduction five chapters and a conclusion The Introduction proposes the thesis statement After it examines the project's

interpretive method a dialectical hermeneutic of suspicion and the retrieval of human beings embodied goodness the Introduction also explains the thesis statement by assessing varied theological and scholarly paradigms of disability sacrament equality justice and hospitality This introductory chapter also explores an action reflection model based in lived experiences of disability Part One comprises two chapters and prioritizes suspicion or critical distance between observation and reality Chapter One outlines the contours of a theological anthropology of disability using texts from the books of Genesis and Isaiah sketches a renewed Christology of disability by exploring select Gospel healing narratives defines baptism and Holy Communion in themselves and shows some of the ways that these sacraments can heal and free people of varied abilities Chapter Two describes the empathy that grounds this dissertation explores the experiences of shame fear and exclusion suffered by many people with disabilities contrasts those experiences with positive experiences of welcome and inclusion and expresses our need for a spirituality of friendship based in the generous episteme of disability Part Two comprises three chapters and emphasizes scholarly retrieval of human embodied goodness The third chapter illustrates the theological significance of physical intellectual affective and spiritual access to God s equality and justice for people with disabilities through baptism and Holy Communion The fourth chapter explores the practical significance of our access to equality and justice in terms of mutual aid and covenantal relationship The fifth chapter observes several formative components of an embodied eschatology of disability Finally my Conclusions chapter summarizes my findings and briefly explores other scholarly questions raised by this theological research
