Devil Drives:

The Devil Drives Virgil Markham, 2007 Trade paperback Virgil Markham author of the classic 1928 thriller *Death in the Dusk* wrote this masterpiece of suspense in 1932 long before Cornell Woolrich took over the reins of nail biting mystery But you ll never find a more terrifying example of early crime noir on any continent [The Devil Drives](#) Jane Arbor, 1979-01-01

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s *Dictionary of American Proverbs and Proverbial Phrases 1820 1880* It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious **The Devil Drives** Fawn McKay Brodie, 1984 Brilliant Brodie s scholarship is wide and searching and her understanding of Burton and his wife both deep and wide She writes with clarity and zest The result is a first class biography of an exceptional man J H Plumb *New York Times Book Review* *The Devil Drives* Ruth Aspinall, 1968 [In the Shadow of Greatness](#) Michael Menager, 2020-09-01 In this unusual biography Michael Menager coaxes from the shadows of history ve women who devoted themselves to the greatness of a genius in their lives At times the book reads like a love story at other times an adventure but throughout their five lives intertwine to tell one story of selfless devotion and a greatness that doesn t crave recognition This book covers the lives and works of Maria Nhyss wife of Aldous Huxley Fran oise Gilot mistress of Pablo Picasso V ra Nabokov wife of Vladimir Nabokov Helen Dukas secretary to Albert Einstein and Isabel Burton wife and partner of Sir Richard Burton [Richard Burton, T.E. Lawrence and the Culture of Homoerotic Desire](#) Feras Alkabani, 2024-09-19 In the 19th and early 20th centuries the Arabic speaking regions of the Ottoman Empire saw a crucial change in attitudes towards sexuality Notions of respectability propriety and sexual morality were being transformed in literary and cultural discourses a shift that was related to the gradual rise in anti Ottoman Arab nationalism However contemporary Orientalists such as Sir Richard Burton and T E Lawrence were oblivious to certain aspects of this process of cultural reconfiguration While accounts of male love poetry ghazal al mudhakkar were being gradually expurgated from the Arab literary heritage

elaborate narratives of Oriental homoerotic desire distinctively characterise the encounters of both Burton and Lawrence with the Arab East By comparing their literary and autobiographical accounts of the Arab Orient with contemporary Arabic literature Feras Alkabani is able to expose this critical disparity in cross cultural portrayals of sexual morality and homoerotic desire Alkabani relates the conflicting agendas of contemporary Orientalists and Arab scholars to the shifts in international imperial power relations and the eventual collapse of the Ottoman Empire His detailed comparative study reveals the significance of homoerotic desire within Orientalist and Arab literary discourses at a time when the meaning and connotations of poetic male love were undergoing a critical change in Arab culture and literature It will prove invaluable for those researching Orientalism nationalism imperialism and manifestations of homoerotic desire in the fin de siècle Middle East
