

Devil To Paythe

Terry C. Jones

Devil To Paythe:

"The Devil's to Pay" Eric J. Wittenberg,2014-10-19 An award winning Civil War historian s profile of the brilliant Union cavalry officer and the strategies he employed to prevent catastrophe at Gettysburg The Battle of Gettysburg turned the tide of the Civil War But the outcome of the decisive confrontation between North and South might have been dramatically different if not for the actions of Brig Gen John Buford commander of the Union army s First Cavalry Division An award winning chronicler of America s War between the States and author of more than a dozen acclaimed works of historical scholarship Eric J Wittenberg now focuses on the iconic commanding officer known to his troops as Honest John and Old Steadfast Wittenberg describes in fascinating detail the brilliant maneuvers Buford undertook to keep Gen Robert E Lee s Confederate army at bay and later rescue what remained of the devastated First and Eleventh Corps The Devil s to Pay celebrates the stunning military achievements of an unparalleled tactical genius at the onset of the Gettysburg Campaign and paints an unforgettable portrait of a quiet unassuming cavalryman who recognized a possible disaster in the making and took bold action to avert it Based on a wealth of information from primary sources The Devil s to Pay includes pages of illustrations maps and photographs as well as a walking and driving tour of the battlefield sites where America s history was made at a staggeringly high cost in blood A comprehensive tactical study that is both scholarly and eminently accessible it is an essential addition to the library of any Civil War enthusiast

Word Myths David Wilton,2008-11-06 David Wilton debunks the most persistently wrong word histories and gives to the best of our actual knowledge the real stories behind these perennially mis etymologized words In addition he explains why these wrong stories are created disseminated and persist even after being corrected time and time again What makes us cling to these stories when the truth behind these words and phrases is available for the most part at any library or on the Internet

Slang and Its Analogues Past and Present William Ernest Henley,1891

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s *Dictionary of American Proverbs and Proverbial Phrases 1820 1880* It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a

proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell,Terry Victor,2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge s brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge s own work Unique exciting and at times hilariously shocking key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia New Zealand Canada India South Africa Ireland and the Caribbean emphasis on post World War II slang and unconventional English published sources given for each entry often including an early or significant example of the term s use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge commentary on the term s origins and meaning New to this edition A new preface noting slang trends of the last five years Over 1 000 new entries from the US UK and Australia New terms from the language of social networking Many entries now revised to include new dating new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning it s rude it s delightful and it s a prize for anyone with a love of language

A Dictionary of English Phrases Albert Montefiore Hyamson,1922

The Dictionary of Clichés Christine Ammer,2013-11-05 The largest most comprehensive and most entertaining reference of its kind The Dictionary of Clichés features more than four thousand unique clichés and common expressions Author Christine Ammer explores the phrases and terms that enliven our language and uncovers expressions that have long been considered dead With each entry she includes a thorough definition origin of the term and an insightful example Some of the clichés brought into the limelight include Blood is thicker than water Monkey see monkey do Brass tacks Burn the midnight oil Change of heart Moral fiber By the book Whether clichés get under your skin or make you happy as a clam The Dictionary of Clichés goes the extra mile to provide an essential resource for students teachers writers and anyone with a keen interest in language And that s food for thought
