Were Jewish children in the Middle Ages treated differently by their parents than their gentile counterparts How have Jews traditionally viewed the death of a child What effect did the Jewish education system have on the Jewish child These issues and many others are explored in *The Child in Jewish History* by John Cooper a panoramic survey of Jewish childhood from biblical times until the mid twentieth century Beginning with an account of the family structure in the biblical age this intriguing social history examines such topics as circumcision breast feeding the abolition of child sacrifice debt bondage and the socialization and education of children The impact of the clash with Greco Roman civilization on Jewish childhood is discussed including the adaptation of the primary school into the heder which became the main conduit for transmitting knowledge of the Torah from generation to generation and the abolition of abortion and infanticide for the purpose of limiting family size In the examination of Jewish childhood during the Middle Ages the development of ceremonies surrounding childbirth circumcision and initiation into the heder are explored as in the heartbreaking slaughter of children by their own parents to prevent them from enforced conversion during the Crusades In the early modern period the decline of the system of universal heder education which began in the eighteenth century and the rise of leisure activities and youth centered thought are explained in relation to their impact on Jewish children Moving toward the present day the modernization of Jewish youth in Germany Britain and the United States is detailed The reasons for low infant mortality rates among Jewish families a unique feature of Jewish childhood child rearing practices and the Jewish insistence on prolonged education are also discussed **Uncomfortable Conversations with a Jew** Emmanuel Acho, Noa Tishby, 2024-04-30 For Emmanuel Acho and Noa Tishby no question about Jews is off limits They go there They cover Jews and money Jews and power Jews and privilege Jews and white privilege The Black and Jewish struggle Emmanuel asks Did Jews kill Jesus To which Noa responds Why are Jewish people history s favorite scapegoat They unpack Judaism itself Is it a religion culture a peoplehood or a race And Are you antisemitic if you re anti Zionist The questions and answers might make you squirm but together they explain the tropes stereotypes and catalysts of antisemitism in America today The topics are complicated and Acho and Tishby bring vastly different perspectives Tishby is an outspoken Israeli American Acho is a mild mannered son of a Nigerian American pastor But they share a superpower an uncanny ability to make complicated ideas easy to understand so anyone can follow the straight line from the past to our immediate moment and then see around corners Acho and Tishby are united by the core belief that hatred toward one group is never isolated if you see the smoke of bigotry in one place expect that we will all be in the fire *The Bibliographic Index*, 1943 **Collectanea Stephan Kuttner** Giuseppe Forchielli, Alphonso Maria Stickler, 1967 *The Library Journal*, 2000 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *The Origins of the Holocaust* Randolph L.
