## Devils Churchyard:

*Cloven Country* Jeremy Harte, 2023-08-25 Now in paperback an exploration of the myths of England's deceptively bucolic rolling hills and country lanes believed to be created and shaped by the Dark Lord himself According to legend the English landscape so calm on the surface is really the Devil's work Cloven Country tells of rocks hurled into place and valleys carved out by infernal labor The Devil's hideous strength laid down great roads in one night and left scars everywhere as the hard stone melted like wax under those burning feet With roots in medieval folklore of giants and spirits this is not the Satan of prayer but a clumsy ogre easily fooled by humankind When a smart cobbler or cunning young wife outwitted him they struck a blow for the underdog Only the wicked squire and grasping merchant were beyond redemption carried off by a black huntsman in the storm Cloven Country offers a fascinating panorama of these decidedly sinister English tales The Smugglers Henry Noel Shore baron Teignmouth, Henry N. Shore, Charles George Harper, 1923 Folklore Joseph Jacobs, Alfred Trübner Nutt, Arthur Robinson Wright, William Croke, 1912 Most vols for 1890 contain list of members of the Folklore Society *The Circle and the Cross* Arthur Hadrian Allcroft, 1930 *Selections from the Hengwrt Mss. Preserved in the Peniarth Library* Robert Williams, 1876 *The Smugglers* Charles George Harper, 1909 Opinions have ever been divided on the question of the morality or the immorality of smuggling This is not in itself remarkable since that subject on which all men think alike has not yet been discovered but whatever the views held upon the question of the rights and wrongs of the free traders craft they have long since died down into abstract academic discussion Smuggling is indeed not dead but it is not the potent factor it once was and to what extent Governments are justified in taxing or restricting in any way the export or the import of goods will not again become a living question in this country until the impending Tariff Reform becomes law There have been those who reading the proofs of this book have variously found in it arguments for and others arguments against Protection but as a sheer matter of fact there are in these pages no studied arguments either way and facts are here presented just as they are retrieved from half forgotten records with no other ulterior object than that of entertainment But if these pages also serve to show with what little wisdom people are and generally have been governed they may not be without their uses England it may surely be gathered here and elsewhere is what she is by sheer force of dogged middle class character and in spite of her statesmen and lawgivers **Publications** Folklore Society (Great Britain), 1912 Selections from the Hengwrt mss. preserved in the Peniarth library: Y Seint greal, being the adventures of King Arthur's knights of the Round table, in the quest of the Holy greal, and on other occasions. Originally written about the year 1200. Ed. with a translation and glossary by R. Williams. v. 2. Campeu Charlymaen, Brown o Hamtwn. Purdan Padric, Buchedd Meir wryry, Evengyl Nicodemus, Y. groglith, Brenddwyt Pawl, Seith doethion Ruvein, I potis ysprytawl, Lucidarius, Ymborth yr eneit, etc., etc. Ed. with a translation, by R. Williams and the translation continued by G. H. Jones Robert Williams, 1876 *The Myth of the Pent Cuckoo* John Edward Field, 1913 *Hallowed Ground* Mark Norman, 2025-05-02

Hallowed Ground examines the surprising traditions customs superstitions and secular imagery found in Christian churches and churchyards with a particular emphasis on the traditional rural protestant church Beginning with stories associated with the construction of church buildings themselves and the role that they played in the community the book moves through a number of subjects where everything might not be as it would seem it should be in the Christian church and its grounds Expect vestiges of pagan symbols hidden in the fabric of the church building and clergymen rumored to hold strange arcane knowledge of their own kept within their personal occult libraries Learn the ways in which you can use the church and its grounds to divine who might die in the next twelve months where you might find love and how you might cure illnesses Watch out for a number of figures you wouldn't expect to find on such holy ground from run ins with the devil to spectral figures inhabiting the church or its graves Discover some of the ways in which magic and witchcraft seep into the hallowed ground of the churchyard from outside Hallowed Ground will offer more than a few surprises about the folklore that surrounds the church and churchyard and a fascinating insight into the social history of our place of traditional Sunday worship all delivered with the academic rigor and accessible engaging style for which the author is known
