Choosing Courage Peter Collier, 2015-05-19 How does an ordinary person become a hero? It happens in a split second a moment of focus and clarity when a choice is made. Here are the gripping accounts of Medal of Honor recipients who demonstrated guts and selflessness on the battlefield and confronted life-threatening danger to make a difference. There are the stories of George Sakato and Vernon Baker, both of whom overcame racial discrimination to enlist in the army during World War II. Sakato was a second-generation Japanese American, Baker an African American, and went on to prove that heroes come in all colors. And Clint Romesha who led his outnumbered fellow soldiers against a determined enemy to prevent the Taliban from taking over a remote U.S. Army outpost in Afghanistan. Also included are civilians who have been honored by the Congressional Medal of Honor Foundation for outstanding acts of bravery in crisis situations, from a school shooting to the 9/11 attacks on the World Trade Center. Adding depth and context are illuminating essays on the combat experience and its aftermath, covering topics such as overcoming fear, a mother mourning the loss of her son, and surviving hell as a prisoner of war.

Shutdown R. J. Pineiro, 2002-01-07 Zoe's only remaining option to save humanity from the cruel Chancellor is to infiltrate the Community on her own and upend the Link system, freeing the world from the hardware that controls their thoughts and emotions, and hope it will trigger a revolution.

President's Overbearing Love Te Gongkuangfei, 2019-11-28 She had somehow saved the shot guy, but she didn't expect that this dead man would admit his wrongs and forcefully take her. It was only afterwards that he found out that there was an extra ball in his stomach because of that scoundrel. However, the man in charge had disappeared. No, she swore that she would definitely find the missing man. Unexpectedly, she met him once again, and at this moment, he and the woman were in the midst of HAPPY.

US Combat Shotguns Leroy Thompson, 2013-08-20 For more than a century, the combat shotgun has been a devastating weapon in the hands of US troops. This is the story of this key weapon, which has proved its worth in close-quarter clashes from World War I to the cave complexes of Afghanistan.
