Devils Candy The Bonfire Of The Vanities Goes Hollywood:

The Devil's Candy Julie Salamon,1992-10-01 So much better so much more fun than the movie it is about that one must be thankful to the filmmakers for producing such a spectacle if only so that this book could be written Vogue When film director Brian De Palma invited author Julie Salamon to follow him on the set of The Bonfire of the Vanities he had no idea that the fifty million dollar movie would become one of Hollywood s biggest flops The Devil s Candy is the juicy bestselling expos that sent Hollywood honchos running for cover Who was responsible for the last minute casting change that cost four million dollars Who knew that Melanie Griffith would show up halfway through the filming with a new set of breasts Settle down in your front row seat for a story that has more drama hilarity greed folly and ego than the movie that eventually ended up on the screen Expertly reported and elegantly written The Devil s Candy is irresistible fun a classic insider s look at the movie business

The Devil's Candy Julie Salamon,1994-04-19 Veteran film critic for The Wall Street Journal Julie Salamon presents a juicy inside look at the making of the Hollywood mega flop Bonfire of the Vanities Salamon reveals how success fame and enormous amounts of money can be catastrophically mismanaged for the sake of ego

The Devil's Candy Julie Salamon,2008-11-05 A classic behind the scenes account of how a Hollywood blockbuster turned into a bomb that illuminates how not to make a movie New York Times

Media Industries Jennifer Holt,Alisa Perren,2011-09-19 Media Industries History Theory and Method is among the first texts to explore the evolving field of media industry studies and offer an innovative blueprint for future study and analysis capitalizes on the current social and cultural environment of unprecedented technical change convergence and globalization across a range of textual institutional and theoretical perspectives brings together newly commissioned essays by leading scholars in film media communications and cultural studies includes case studies of film television and digital media to vividly illustrate the dynamic transformations taking place across national regional and international contexts

Shadow Economies of Cinema Ramon Lobato,2012-03-12 How do people access movies today What are the most popular and powerful channels for media distribution on a global scale How are film industries changing in the face of media convergence and digitisation To answer questions such as these argues Ramon Lobato we must shift our gaze away from the legal film business and toward cinema s shadow economies All around the world films are bought from roadside stalls local markets and grocery stores they are illegally downloaded and streamed they are watched in makeshift video clubs on street corners and in restaurants shops and bars International film culture in its actually existing forms is a messy affair and it relies to a great extent on black and grey media markets Examining the industrial dynamics of these subterranean film networks across a number of different sites from Los Angeles to Lagos Melbourne to Mexico City this book shows how they constitute a central rather than marginal part of audiovisual culture and commerce Combining film industry analysis with cultural theory *Shadow Economies of Cinema* opens up a new area of inquiry for cinema studies putting industry research into dialogue with wider debates about economic informality and

commodity circulation Written in an accessible style this book offers an original bottom up perspective on the global cinema industry for researchers and students in film studies cultural studies and media and communications **Production**

Studies Vicki Mayer, Miranda J. Banks, John T Caldwell, 2009-09-10 Production Studies is the first volume to bring together a star studded cast of interdisciplinary media scholars to examine the unique cultural practices of media production The all new essays collected here combine ethnographic sociological critical material and political economic methods to explore a wide range of topics from contemporary industrial trends such as new media and niche markets to gender and workplace hierarchies Together the contributors seek to understand how the entire span of media producers ranging from high profile producers and directors to anonymous stagehands and costume designers work through professional organizations and informal networks to form communities of shared practices languages and cultural understandings of the world Casting
Might-Have-Beens Eila Mell, 2015-01-24 Some acting careers are made by one great role and some fall into obscurity when one is declined Would Al Pacino be the star he is today if Robert Redford had accepted the role of Michael Corleone in The Godfather Imagine Tom Hanks rejecting Uma Thurman saying that she acted like someone in a high school play when she auditioned to play opposite him in The Bonfire of the Vanities Picture Danny Thomas as The Godfather or Marilyn Monroe as Cleopatra This reference work lists hundreds of such stories actors who didn't get cast or who turned down certain parts Each entry organized alphabetically by film title gives the character and actor cast a list of other actors considered for that role and the details of the casting decision Information is drawn from extensive research and interviews From About Last Night which John Belushi turned down at his brother's urging to Zulu in which Michael Caine was not cast because he didn't look Cockney enough this book lets you imagine how different your favorite films could have been **A Disturbance in the Force** Steve Kozak, 2023-11-15 Bea Arthur as the owner of the Mos Eisley Cantina Long scenes entirely of Wookies bleating at each other without subtitles Harvey Korman in drag as a four armed Space Julia Child Six minutes of Jefferson Starship performing for Art Carney and a bored Imperial Guard Mark Hamill fresh from his near fatal motorcycle accident slathered in pancake makeup A salacious holographic burlesque from Diahann Carroll Even by the standards of the 1970s even compared to Jar Jar Binks the legendary 1978 Star Wars Holiday Special is a peerlessly cringeworthy pop culture artifact George Lucas who completely disowned the production reportedly has said If I had the time and a sledgehammer I would track down every copy of that show and smash it Just how on earth did this thing ever see the light of day To answer that question as Steven Kozak shows in this fascinating and often hilarious inside look into the making of the Special you have to understand the cultural moment in which it appeared a long long time ago when cheesy variety shows were a staple of network television and Star Wars was not yet the billion dollar multimedia behemoth that it is today Kozak explains how the Special was one piece of a PR blitz undertaken by Lucas and his colleagues as they sought to protect the emerging franchise from hostile studio executives He shows how despite the involvement of some of the most talented people in the business creative

differences between movie and television writers led to a wildly uneven product He gives entertaining accounts of the problems that plagued production which included a ruinously expensive cantina set the acrimonious departure of the director and Lucas himself and a furious Grace Slick just out of rehab demanding to be included in the production Packed with memorable anecdotes drawing on extensive new interviews with countless people involved in the production and told with mingled affection and bewilderment this never before told story gives a fascinating look at a strange moment in pop culture history that remains an object of fascination even today *Film Art* David Bordwell, Kristin Thompson, 1993 This introduction to film art explains the techniques specific to film as a medium discusses the principles by which entire films are constructed and explores how these techniques and formal principles have changed over the history of moviemaking Frame enlargements are used to illuminate concepts and there is information on the latest film technology such as the computer and special effects used in shooting Jurassic Park This edition includes a new chapter dealing with types of films and the concept of genre and there is also a new section on The New Hollywood and independent film making In addition there is a new appendix on selected Internet reference sites in film from the World Wide Web *The New York Times Book Review*, 1995-09 *The Political Companion to American Film* Gary Crowdus, 1994 The Political Companion to American Film is an encyclopedic collection of critical essays offering provocative social and political commentary on the work of filmmakers from Woody Allen to Darryl Zanuck and other film personalities from Charles Chaplin to John Wayne film genres from crime Movies to World War II Animated Propaganda Cartoons racial and ethnic portrayals from African Americans to Native Americans social issues from Big Businessmen to the Small Town theoretical and critical issues from the Auteur Theory to Postwar American Film Criticism economic and industrial issues from Conglomerates to the Studio System and much more The Political Companion to American Film features the writing of some of America's leading film critics and authors many of whom are specialists who have literally written the book on their subjects and has been edited by Gary Crowdus Editor in Chief of Cineaste America's leading magazine on the art and politics of the cinema The expertise and critical insights of these contributors are conveyed in a colorful comprehensible and jargon free prose style and many of the essays include recommended bibliographies The Political Companion to American Film will enrich the cinematic experience for the average moviegoer as well as the film scholar **Bowling, Beatniks, and Bell-bottoms: 1980s and 1990s** Sara Pendergast, Tom Pendergast, 2002 The hairstyles slang terms advertising jingles pop music sensations and all else described as popular culture is covered in this 5 vol reference Arranged chronologically by decade and by broad topics within each decade Bowling Beatniks and Bell Bottoms focuses solely on the popular culture of the century hairstyles slang terms television shows pop music sensations etc offering more detailed information on trends and fads than any other resource Written specifically for students in grades 5 through 12 major topics include products and brands toys and games music and dance holidays shopping sports movements and much more Also includes approximately 400 photos a cumulative table of contents
