An abstract landscape illustration at the bottom of the cover. It features a dark brown horizon line with a black circle representing the sun or moon. Below the horizon, there are various geometric shapes in shades of orange, yellow, red, and purple, suggesting a stylized landscape or a field. A small, dark, spiky tree-like shape is visible in the center of the landscape.

PAUL CRAWFORD, 2025-12-01 Introduction to Verse by Verse Commentary of Philippians The Book of Philippians is often

called the Letter of Joy Written by the Apostle Paul while he was under house arrest in Rome c A D 60 62 it is a warm deeply personal thank you note to the church at Philippi the first church he founded in Europe Despite being written in chains the letter overflows with a sense of triumph and peace Paul mentions joy or rejoicing sixteen times in just four chapters Philippians teaches us that true joy is not the absence of suffering but the presence of Christ in the midst of it The Church at Philippi Philippi was a Roman colony in Macedonia modern day Greece inhabited largely by retired Roman soldiers It was a mini Rome proud of its Roman citizenship and culture The church there was born out of dramatic circumstances the conversion of Lydia a wealthy businesswoman a demon possessed slave girl and a Roman jailer Acts 16 This church was Paul s most consistent partner in ministry supporting him financially and emotionally when no one else did Paul writes to them to Express Gratitude For their recent financial gift sent via Epaphroditus Encourage Unity To warn them against internal bickering and external false teachers Model Perspective To show them how to view life and death through the lens of the Gospel The Christ Hymn The Kenosis The theological heart of the letter is found in Chapter 2 Paul encourages the church toward humility by quoting or writing what is believed to be an early Christian hymn It describes the self emptying kenosis of Jesus Have this mind among yourselves which is yours in Christ Jesus who though he was in the form of God did not count equality with God a thing to be grasped but emptied himself by taking the form of a servant Philippians 2 5 7 This passage establishes Jesus as the ultimate model of service He went from the highest throne to the lowest death the Cross so that God might exalt Him to the highest name Structural Overview The Four Faces of Joy Key Motto 1 Joy in Suffering Christ is my Life For to me to live is Christ and to die is gain 1 21 2 Joy in Service Christ is my Example Do nothing from selfish ambition but in humility count others more significant than yourselves 2 3 3 Joy in Faith Christ is my Goal I press on toward the goal for the prize of the upward call of God in Christ Jesus 3 14 4 Joy in Contentment Christ is my Strength I can do all things through him who strengthens me 4 13 Key Themes and Distinctives Citizenship in Heaven Paul reminds the Philippians that although they are proud of their Roman citizenship their true politeuma commonwealth citizenship is in heaven 3 20 The Peace of God In the face of anxiety Paul provides a famous recipe for peace prayer petition and thanksgiving 4 6 7 The Value of Knowing Christ Paul describes his impressive religious resume as rubbish skubalon compared to the surpassing worth of knowing Christ Jesus my Lord 3 8 The Scope of this Commentary In this verse by verse commentary we will study how to maintain a gospel centered mind in a self centered world We will focus on Contextual Background Understanding the Roman culture of Philippi and how it shaped the church s struggles and strengths Theology of the Mind Analyzing how Paul repeatedly uses the word mind or think phrone to show that joy begins with a mental shift Practical Contentment Learning the secret of being satisfied in plenty or in want By studying Philippians you will learn that when Christ is your life your circumstances no matter how difficult can never steal your joy

Brewer,2025-11-06 From house confinement chained to a Roman guard the Apostle Paul writes to his favorite congregation in Philippi Rejoice in the Lord always Obviously Paul isn't deterred by his earthly surroundings He's on a heavenly mission Reaching beyond his earthly circumstances he joyfully urges his spiritual children to join him Paul's message of encouragement is needed for people today in the 21st century We are caught up in the complexities complicities and difficulties of modern life that harass and depress us at times If we follow Paul's example we'll break through the difficulties of today and enter the joy of eternity We'll rejoice in the Lord for what He is doing and encourage others to do the same To enter the peace and joy of Jesus become a humble servant trusting your heavenly Master to take care of you *The Epistle of St. Paul to the Philippians* Hugh Gerard Gibson Herklots,1946 **The Epistle of Saint Paul to the Philippians** Hugh Gerard Gibson Herklots,1946 **Simple Bible Commentary** Rick Soto,2017-06-08 Simple Bible Commentary is devoted to lifting up Jesus Rick Soto's writing style is clear easy to read and full of thoughtful conviction The verse by verse transformational study looks at the depth Philippians has to offer The Bible was not written for academics but for God's people given as a gift helping them to love worship and enjoy him Simple things have depth and roots they are true often in the most obvious way To simply enjoy the Word simply is not to err in theology history or any other academic discipline but to value most what God values The Book of Philippians is a classic example of that idea The short book is rich in history theology and spiritual growth opening wide large doors into the richness of Jesus *Philippians 1:1-2:18* Mark J. Keown,W. Hall Harris,Andrew W. Pitts,2017 In his epistle to the Philippians Paul addresses internal struggles and external pressures that the church faced In the letter he presents the sacrificial life of Christ as the ultimate example the ethical foundation for all of life and then calls believers to imitate Christ in their own lives In this volume Mark J Keown scrupulously examines Philippians with a clear eye on the original text and a fine tuned ear to first century culture while also interacting with the full history of scholarship on Philippians Keown also carefully considers the letter's theological and devotional importance for present day believers The result is the most comprehensive commentary on Philippians yet published **Philippians Commentary & Devotional** Bob Emery,2024 We have nine of Paul's letters compiled in the New Testament written to different churches two to the Corinthians one to the Romans one to the Galatians one to the Ephesians one to the Philippians one to the Colossians and two to the Thessalonians In the opening remarks of his letters to the Romans Ephesians Colossians 1 and 2 Thessalonians and Philippians he affirms that he is praying for them But only in the letter to the Philippians does he add that every prayer he prays for them was prayed with joy 1:4 that he holds them in his heart 1:7 and that he yearns for them with all the affection of Christ Jesus 1:8 In the last chapter 4:1 his heart overflows once again and he writes that he loves them longs to see them they are his joy and his crown his reward and calls them my beloved No doubt Paul loved the Christians in all of the churches but his words to the Philippian church indicate that he had a special relationship with them and an abounding love above all others This commentary also includes 20 short devotionals sprinkled along the way for the

reader to pause to reflect on some of the marvelous truths Paul writes about in this letter May you be arrested by the magnitude of God s grace toward you and the awesome wonder of what it means to be in Christ Back cover **They Met at Philippi a Devotional Commentary on Philippians** Carroll E.
