Devotions For Sunday School Teachers:

Devotions for Sunday School Teachers Stan Toler, John Baldwin, 2002 This book of short devotions provides inspirational stories and insights to help Sunday School teachers renew their commitment to serve **The Devotional Life of the Sunday School Teacher** James Russell Miller, 2020-04-28 One of the most significant words in the teaching of Jesus is that in which he gives his command concerning the care of the children He asked Peter a question Do you love me and when he got a satisfactory answer he said to him Feed my lambs He had in mind the figure of a shepherd David had sung The Lord is my shepherd Jesus himself had used the figure to describe his own tender watchfulness over his people They are his sheep The children are the lambs The word used here means little lambs This suggests that the very youngest children are included They were infants that were once brought to Jesus whom the disciples would have kept away but whom he welcomed so warmly saying Allow the little children to come unto me and forbid them not This book will help people teach children in Sunday School and in ministries dedicated to teaching children **A Moment with God for Sunday School Teachers** Sarah McGinley, 2011-08-01 Sometimes a moment with God is all a person needs as they move through their day Whether preparing for Sunday s class or dealing with students and parents the fifty eight prayers with accompanying Scriptures found inside are perfect for you or any Sunday school teacher you know The prayers allow you to center and know God is with you as you work to serve Now using the Common English Bible translation you can easily use the prayers for group devotion as well as for personal reflection time The beautiful design and size make it a keepsake to treasure and remember Some of the prayers included are As I Prepare My Sunday School Lesson On Communicating with Parents When I Pray in Class Coping with a Difficult Child Laughing with the Children Praising Each Child in My Class and more **The Sunday school teacher's hymn book** National Sunday School Union (Great Britain), 1892 *Devotions for Church School Teachers* Richard Andersen, 1976 **Prayers designed to assist in conducting the devotional exercises of Sunday Schools** PRAYERS., 1858 **32 Ways to Become a Great Sunday School Teacher** Delia Halverson, 1997 A self directed teacher training resource offering four courses of study for both experienced teachers and beginners For many churches teacher training is a once a year event or even a budget casualty 32 Ways to Become a Great Sunday School Teacher uses self study sessions to help teachers design individualized programs that assist them in learning how to teach New teachers will learn the basics of teaching how faith develops the ages and stages of learning veterans will find ways to enrich their prayer lives and incorporate different teaching styles in a lesson A sampler of topics How to Study a Bible Passage Multiple Intelligence Learning Death Illness Other Crises Using Questions in Teaching The Gospels Prayer in the Classroom The Sacraments Symbols of Christianity **A Manual and Devotional for Sunday School Teachers** G. Davis Dean Jr., 2016-04-28 In an overabundance of Sunday School curricula and teacher agendas the author presents a study that is unique Rather than contributing to the body of lesson materials G Davis Dean Jr s focus is upon the nature of Sunday School

teaching itself Understanding the nature of Sunday School teaching comes about as each teacher learns to appreciate his place of service within the congregation as an extension of the Christian congregation's teaching ministry But the nature of such teaching and the role of the Sunday School teacher is also as one who has opportunity to promote the social cohesion of a vital portion of the congregation Such realization in turn shapes his care and concern for the lesson material he presents to the children of his class in support for the faithful parents who send them Mr Dean's subsequent approach to teaching and class management is both theological and practical But that does not mean his approach becomes reduced to mere formulae method or technique Rather there is a recognition that beyond the pre-prepared weekly Sunday School lesson the best teaching presentation is also the one adapted to meet the needs of his particular class In this book there is espoused a firm reliance upon the guidance of the Holy Spirit who comes by scriptural study lesson preparation and prayer About the Author G Davis Dean Jr is a graduate of Concordia Theological Seminary in Fort Wayne Indiana with a Master of Arts in Religion 1996 He has almost seventeen years of practical Sunday School teaching experience most of it was as a member of St Paul's Lutheran Church in Fort Wayne Mr Dean has two other works published with RoseDog including *The Revelation of Jesus Christ The Cross and Crown of Our Lord* 2009 and *Tithes and Offerings Perspectives on Christian Giving* 2014 [Homework for the Heart](#) Lisa Flinn, Barbara Younger, 2003 The duties and responsibilities of teaching demand much of the mind and heart This book will encourage and energize hardworking teachers in their week to week service to children and youth Created for both classroom and Sunday school teachers these fifty-two uplifting devotions will help individuals to connect their Christian faith with their mission as teachers Drawing upon a creative lesson plan format the devotions use familiar school objects as springboards to spiritual lessons Each devotion features supporting scripture including NRSV and NIV and a personal challenge to the reader which is given a fitting title such as Pop Quiz Group Work Show and Tell or Extra Credit A short prayer called A Word With the Principal concludes each lesson Helpful teaching tips are included in many of the devotions The book's small size makes it a companion easily slipped into a desk drawer or tote bag *The Sunday School Magazine*, 1856 **Devotions for a Deeper Life** Oswald Chambers, 2006-10-05 Few have understood the nature of sanctification or the nature of God better than Oswald Chambers His insights into holiness absolute devotion and the pursuit of God have inspired countless Christians challenging them to give their utmost for His highest Devotions for a Deeper Life is a collection of some less-known writings by this beloved Christian author Excerpted from articles published in *God's Revivalist* in the early 1900s this year's worth of daily devotions bears Chambers' *Devotions For Teachers* Dorothy Howell Robinson, 2013-09-01 Teaching can be an honorable exciting even life-changing profession But it can also be difficult tiring and disheartening This real-life devotional will speak to the deeply felt needs of educators offering special encouragement from someone who's been there author Dot Robinson is a veteran teacher herself having spent more than a quarter century in the classroom With more than sixty selections under headings like Be Faithful to Your Calling Make a
