Dialogue With Friends:

Corpora and Discourse Annelie del, Randi Reppen, 2008 This book brings together contributions from a diverse collection of scholars who explore different ways of combining corpus linguistics and discourse analysis studying discourse at the prosodic lexical and textual levels Both spoken and written discourse are investigated in a variety of settings including academia the workplace news and entertainment Not only does the volume offer a rich sample of English language discourse from around the world including international learner and non standard varieties of English but it also covers a range of topics and methods This book will be of particular interest to researchers and students specializing in discourse studies English linguistics and corpus linguistics *Dialogues on Drink* Benjamin Ward Richardson, 1882 Standard Popular Dialogues. ... John William Kirton, 1883 The Dialogue in English Literature Elizabeth Merrill, 1911 *Television Dialogue* Paulo Quaglio, 2009-02-04 This book explores a virtually untapped yet fascinating research area television dialogue It reports on a study comparing the language of the American situation comedy Friends to natural conversation Transcripts of the television show and the American English conversation portion of the Longman Grammar Corpus provide the data for this corpus based investigation which combines Douglas Biber s multidimensional methodology with a frequency based analysis of close to 100 linguistic features As a natural offshoot of the research design this study offers a comprehensive description of the most common linguistic features characterizing natural conversation Illustrated with numerous dialogue extracts from Friends and conversation topics such as vague emotional and informal language are discussed This book will be an important resource not only for researchers and students specializing in discourse analysis register variation and corpus linguistics but also anyone interested in conversational language and television dialogue English Writers Henry Morley, 1892

Positive Psychology of Love Mahzad Hojjat, Duncan Cramer, 2013-05-02 Many topics within the study of close relationships are relevant to positive psychology such as love friendship social support and forgiveness However very little has been done to specifically connect and thus expand these two interrelated and rapidly growing fields Positive Psychology of Love fills this void by bringing together the latest research and theory in the field of close relationships from a positive psychology point of view suggesting how we can have more fulfilling close and intimate relationships and how these relationships may enhance our lives Each of the chapters focuses on a different aspect of close and intimate relationships as related to positive psychology such as romantic love friendship positive emotions sexuality attachment communication forgiveness conflict resolution self esteem relational maintenance mental health physical health and culture International contributors from a variety of disciplines explore how these areas of close relationships relate to positive psychology and how close relationships function as an important aspect of our personal health growth happiness and well being This unique and fascinating approach will be of interest to researchers educators and students in a number of fields including psychology sociology counseling social work communication family studies marriage and family therapy and nursing The Autism

Dialogue Approach Handbook Jonathan Drury, 2025-04-28 The Autism Dialogue Approach Handbook serves as both a comprehensive guide and a practical handbook for healthcare professionals educators caregivers and anyone engaging with the autism community Jonathan Drury presents the Autism Dialogue Approach ADA a pioneering framework rooted in dialogue and mindfulness practices It addresses the diverse needs of autistic and neurodivergent individuals emphasising that the autism community includes everyone promoting an inclusive understanding of neurodiversity The book critiques traditional therapeutic and coaching models proposing ADA as an alternative that values co creation and shared meaning making By exploring practical strategies Drury demonstrates how ADA transforms therapy coaching and leadership by fostering environments where neurodivergent and neurotypical individuals can connect authentically and transcend division With clear tools exercises and real world examples this handbook guides readers in applying ADA to cultivate neurodivergent affirming inclusive spaces It also delves into the philosophical and spiritual dimensions of dialogue offering insights into how societal structures impact autistic experiences and how systemic change can occur through dialogue Aimed at those committed to building compassionate and inclusive settings this handbook equips readers with practical skills for nurturing deep connections promoting wellbeing and driving societal transformation through a neurodiversity affirming approach

Friends' Intelligencer, 1915 *100 Days of Happiness* Fausto Brizzi, 2016-07-05 Funny moving I defy anyone to finish this story without tears in their eyes Graeme Simsion bestselling author of *The Rosie Project* What would you do if you knew you only had 100 days left to live For Lucio Battistini it s a chance to spend the rest of his life the way he always should have by making every moment count Imperfect unfaithful but loveable Lucio has been thrown out of the house by his wife and is sleeping at his father in law s bombolini bakery when he learns he has inoperable cancer So begin the last hundred days of Lucio s life as he attempts to right his wrongs win back his wife the love of his life and afterlife and spend the next three months enjoying every moment with a zest he hasn t felt in years In 100 epigrammatic chapters one for each of Lucio s remaining days on earth *100 Days of Happiness* is as delicious as a hot doughnut and a morning cappuccino Wistful touching and often hilarious *100 Days of Happiness* reminds us all to remember the preciousness of life and what matters most

Semiotics of Friendship Claus Emmeche, 2025-01-27 A friend should be able to be an attentive listener which made semiotician Roland Barthes wonder in his intriguing dictionary of love cannot friendship be defined as a space with total sonority This volume takes on the encyclopedic task in the sense of Umberto Eco where an encyclopedia is a very complex sign to explore friendship in detail not only as a form of love but in all its complexity as a bond that connects people and forms communities Semiotics the study of signs and meaning making is used alongside insights from a wide range of friendship studies to create a far reaching intellectual resonance or sonority around friendship as a central human experience As a study of the significance of friendship it presents findings from friendship research across the globe enabling new ways of thinking about friends It includes key concepts from semiotics sociology anthropology and other fields briefly
