

THE DIALOGUE OF THE DOGS

MIGUEL DE
CERVANTES

Dialogue Of The Dogs

Miguel de Cervantes Saavedra

Dialogue Of The Dogs:

The Dialogue of the Dogs Miguel de Cervantes, 2012-11-06 Ever since I could chase a bone I've longed to talk The first talking dog story in Western literature from the writer generally acknowledged alongside William Shakespeare as the founding father of modern literature no less Indeed The Dialogue of the Dogs features in a condensed powerful version all the traits the author of Don Quixote is famous for It's a picaresque rich in bawdy humor social satire and fantasy and it uses story tactics that were innovative at the time such as the philandering husband who given syphilis by his wife is hospitalized Late one feverish night he overhears the hospital's guard dogs telling each other their life's story a wickedly ironic tale within the tale within the tale wherein the two virtuous canines find themselves victim time and again to deceitful corrupt humanity Here in a sparkling new translation the parody of a Greek dialogue is so entertaining it belies the stunningly prescient sophistication of this novella that it is a story about telling stories and about creating a new way to discuss morality that isn't rooted in empiricism In short it's a masterful work that flies in the face of the forms and ethics of its time and perhaps ours as well The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature's greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

The Deceitful Marriage Miguel de Cervantes Saavedra, 2004 Given the gift of speech for a day two dogs set about satirizing humans their supposed superiors In an exchange reminiscent of the ancient Greek dialogues they recount their experiences under their various masters but whether butcher constable merchant or gypsy each is decried as corrupt to the core Through the scathing Berganza and the critical Scipio Cervantes delivers an ingenious critique of the morality of 16th century Spain and a timeless portrayal of the heart of man Author of Don Quixote Miguel de Cervantes 1547-1616 is Spain's greatest writer

Dialogue of the Dogs Miguel de Cervantes Saavedra, 2004 The Dialogue of the Dogs is an inspired work of psychological observation by the master of the picaresque novel In it Cervantes displays all the clarity and warmth that marks the rich prose of Don Quixote Given the gift of speech for a day two dogs set about satirizing humans their supposed superiors In an exchange reminiscent of the ancient Greek Dialogues they recount their experiences under their various masters But whether butcher constable merchant or gypsy each is decried as corrupt to the core Through the scathing Berganza and the critical Scipio Cervantes delivers an ingenious critique of the morality of 16th century Spain and a timeless and telling portrayal of the heart of man Author of the universally known Don Quixote Miguel de Cervantes is Spain's greatest writer
