Dialogues With A Modern Mystic:

Dialogues with a Modern Mystic Andrew Harvey, Mark Matousek, 1994 Interviews with modern day mystic Andrew Harvey yield a discourse of mystical depth and beauty

Daily Afflictions Andrew Boyd, 2002 Revolutionizing the best selling genre this thinking man's parody hijacks the format of daily affirmations but offers a different message only in paradox truth only in darkness light only in affliction affirmation These daily afflictions offer readers inspiration practical advice and food for thought as they navigate the jungle of existential terror that begins anew each day We follow the fictional Brother Void on a spiritual journey both profound and hilarious into self family love career death and ultimately Enlightenment We learn to listen to our inner critic appreciate the nurturing power of dysfunctional families love the wrong person succeed at failure embrace our inner corpse and finally withstand the agony of being connected to everything in the Universe Part spiritual autobiography part ironic meditation this tragicomic guide to life's sublime predicaments will elevate and educate the spirit The truth will set you free Brother Void reminds us but first it will hurt like hell

Gay Tantra in Action William Schindler, 2017-08-25 Integrating sexuality with spirituality has been the specialty of traditional Hindu Tantra for at least 1500 years The short readings in this book adapt the concepts and methods of the ancient tantric tradition for LGBT persons of all genders living in our modern rapidly changing world Gay and gender non conforming persons have been condemned or ignored by all major religions and many LGBT persons may reject religion in general sometimes substituting sex drugs or other diversions Substitutes for true spirituality ultimately fail to remedy the existential conditions of mortality isolation and meaninglessness as only a deep spiritual practice can These readings demonstrate various ways LGBT people can tap into the deepest currents of human spirituality while recognizing the special spiritual needs and aptitudes that come with an LGBT identity Gay Tantra teaches us to attain the heights of spiritual enlightenment utilizing fully our LGBT experiences and ways of being in the world

The Rise of Liberal Religion Matthew S. Hedstrom, 2012-10-26 Winner of the Frank S and Elizabeth D Brewer Best First Book Prize of the American Society of Church History Society for U S Intellectual History Notable Title in American Intellectual History The story of liberal religion in the twentieth century Matthew S Hedstrom contends is a story of cultural ascendancy This may come as a surprise most scholarship in American religious history after all equates the numerical decline of the Protestant mainline with the failure of religious liberalism Yet a look beyond the pews into the wider culture reveals a more complex and

fascinating story one Hedstrom tells in *The Rise of Liberal Religion* Hedstrom attends especially to the critically important yet little studied arena of religious book culture particularly the religious middlebrow of mid century as the site where religious liberalism was most effectively popularized By looking at book weeks book clubs public libraries new publishing enterprises key authors and bestsellers wartime reading programs and fan mail among other sources Hedstrom is able to provide a rich on the ground account of the men women and organizations that drove religious liberalism s cultural rise in the 1920s 1930s and 1940s Critically by the post WWII period the religious middlebrow had expanded beyond its Protestant roots using mystical and psychological spirituality as a platform for interreligious exchange This compelling history of religion and book culture not only shows how reading and book buying were critical twentieth century religious practices but also provides a model for thinking about the relationship of religion to consumer culture more broadly In this way *The Rise of Liberal Religion* offers both innovative cultural history and new ways of seeing the imprint of liberal religion in our own times

[Sun at Midnight](#) Andrew Harvey,2002 As the motor s vibrations cradled me I tried to envision my life I saw the red lines of highways on the map stretched between cities like threads of torn cloth I imagined a book that could hold it all together plains and mountain ranges dust drab towns beyond interstates and somewhere on the far edges the valley in British Columbia and those nights in Virginia when I snuck out and stalked the highway trying to fathom where I belonged on this threadbare continent As a child growing up in rural British Columbia Deni B chard had no idea that his family was extraordinary With a father prone to racing trains and brawling and a mother with interest in health food and the otherworldly Deni finds pleasure in typical boyish activities fishing for salmon with his father and reading with his mother Assigned to complete a family tree in school Deni begins to wonder why he doesn t know more about his father s side of the family His mother is from Pittsburgh and there is a vague sense that his father is from Quebec but why the mystery When his mother leaves Deni s father and decamps with her three children to Virginia his curiosity only grows Who is this man why do the police seem so interested in him and why is his mother so afraid of him And when his mother begrudgingly tells Deni that his father was once a bank robber his imagination is set on fire Boyish rebelliousness soon gives way to fantasies of a life of crime and a deep drive for experience leads him to a number of adventures hitching to Memphis and stealing a motorcyc fighting classmates and kissing girls Before long young Deni is imagining himself as a character in one of his father s stories or in the novels he devours greedily At once attracted and repelled Deni can t escape the sense that his father s life holds the key to understanding himself and to making sense of his own passions aversions and motivations Eventually he moves back to British Columbia only to find himself snared in the controlling impulses of his mysterious father and increasingly obsessed by his father s own muted recollections of the Quebecois childhood he d fled long ago At once an extraordinary family story and a highly unconventional portrait of the artist as a young man *Cures for Hunger* is a singular deeply affecting memoir by one
