Paul D. Staudohar

Diamond Mines Baseball Labor:

Diamond Mines Paul D. Staudohar,2000-10-01 The essays comprising this text aim to shed new light on the interaction of labour management and government in contemporary major league baseball **Encyclopedia of U.S. Labor and Working-class History** Eric Arnesen,2007 Publisher Description *A People's History of Baseball* Mitchell Nathanson,2012-03-30 Baseball is much more than the national pastime It has become an emblem of America itself From its initial popularity in the mid nineteenth century the game has reflected national values and beliefs and promoted what it means to be an American Stories abound that illustrate baseball s significance in eradicating racial barriers bringing neighborhoods together building civic pride and creating on the field of play an instructive civics lesson for immigrants on the national character In *A People s History of Baseball* Mitchell Nathanson probes the less well known but no less meaningful other side of baseball episodes not involving equality patriotism heroism and virtuous capitalism but power how it is obtained and how it perpetuates itself Through the growth and development of baseball Nathanson shows that if only we choose to look for it we can see the petty power struggles as well as the large and consequential ones that have likewise defined our nation By offering a fresh perspective on the firmly embedded tales of baseball as America a new and unexpected story emerges of both the game and what it represents Exploring the founding of the National League Nathanson focuses on the newer Americans who sought club ownership to promote their own social status in the increasingly closed caste of nineteenth century America His perspective on the rise and public rebuke of the Players Association shows that these baseball events reflect both the collective spirit of working and middle class America in the mid twentieth century as well as the countervailing forces that sought to beat back this emerging movement that threatened the status quo And his take on baseball s racial integration that began with Branch Rickey s Great Experiment reveals the debilitating effects of the harsh double standard that resulted requiring a black player to have unimpeachable character merely to take the field in a Major League game a standard no white player was required to meet Told with passion and occasional outrage *A People s History of Baseball* challenges the perspective of the well known deeply entrenched hyper patriotic stories of baseball and offers an incisive alternative history of America s much loved national pastime Labor's Heritage ,1998 **The Routledge History of American Sport** Linda J. Borish,David K. Wiggins,Gerald R. Gems,2016-10-04 The Routledge History of American Sport provides the first comprehensive overview of historical research in American sport from the early Colonial period to the present day Considering sport through innovative themes and topics such as the business of sport material culture and sport the political uses of sport and gender and sport this text offers an interdisciplinary analysis of American leisure Rather than moving chronologically through American history or considering the historical origins of each sport these topics are dealt with organically within thematic chapters emphasizing the influence of sport on American society The volume is divided into eight thematic sections that include detailed original essays on particular facets of each theme Focusing on how sport has

influenced the history of women minorities politics the media and culture these thematic chapters survey the major areas of debate and discussion The volume offers a comprehensive view of the history of sport in America pushing the field to consider new themes and approaches as well Including a roster of contributors renowned in their fields of expertise this ground breaking collection is essential reading for all those interested in the history of American sport The Oxford Handbook of Sports Economics: Volume 1: The Economics of Sports Leo H. Kahane, Stephen Shmanske, 2012-03-16 Stephen Shmanske and Leo Kahane have brought together nearly all of the important authors in the quickly growing field of Sports Economics to contribute chapters to this two volume set The result is truly informative in its content and path breaking in its importance to the field Anyone contemplating research in the field of sports economics will find the works in these volumes to provide both ample background in subject after subject and numerous suggestions for future avenues of research The editors have recognized two ways that economics and sports interact First economic analysis has helped everyone understand many of the peculiar institutions in sports And second quality data about individual productivity salaries career histories teamwork and managerial behavior has helped economists study topics as varied as the economics of discrimination salary dispersion and antitrust policy These two themes of economics helping sports and sports helping economics provide the organizational structure to the two volume set The reader will find that sports economists employ or comment on practically every field in economics Labor Economics comes into play in the areas of salary formation salary dispersion and discrimination Baseballs history and the NCAA are studied with Industrial Organization and Antitrust Public Finance and Contingent Value Modeling come into play in the study of stadium finance and franchise location The Efficient Market Hypothesis is examined with data from gambling markets Macroeconomic effects are studied with data from mega events like the Super Bowl The World Cup and the Olympics The limits of Econometrics are pushed and illustrated with superb data in many of the papers herein Topics in Applied microeconomics like demand estimation and price discrimination are also covered in several of the included papers Game Theory measurement of production functions and measurement of managerial efficiency all come into play Talented authors in each of these fields have made contributions to these volumes The volumes are also rich from the point of view of the sports fan Every major team sport is covered and many interesting comparisons can be made especially between the North American League organization and the European style promotion and relegation leagues Golf NASCAR College athletics Womens sports the Olympics and even bowling are represented in these pages There is literally something for everyone **The Oxford Handbook of Sports Economics Volume 1** Leo H. Kahane, Stephen Shmanske, 2012-05-31 Shmanske and Kahane have organized over 50 essays from prominent Sports Economists into two volumes around two related themes This second volume explains how sports helps economics via quality data used to test a variety of economic theories **The Oxford Handbook of Sports Economics Volume 2** Leo H. Kahane, Stephen Shmanske, 2012-05-24 Shmanske and Kahane have organized over 50 essays from prominent Sports

Economists into two volumes around two related themes This second volume explains how sports helps economics via quality data used to test a variety of economic theories

The Cooperstown Symposium on Baseball and American Culture, 2002 William M. Simons,2003-05-19 This is an anthology of 24 papers that were presented at the Fourteenth Cooperstown Symposium on Baseball and American Culture held in June 2002 and co sponsored by the State University of New York at Oneonta and the National Baseball Hall of Fame and Museum Subsequent to initial presentation papers were revised and edited for publication The anthology is divided into five parts Timebend Baseball as History The Business of Baseball Race Soul of the Game Baseball Media Literature Journalism and Cinema and Baseball Culture Age Sexuality and Religion Timebend Baseball as History ruminates on the lingering resonance of the game s past The Business of Baseball examines sport from a commercial perspective Race Soul of the Game chronicles the African American experience in baseball Baseball Media Literature Journalism and Cinema analyzes depictions of the game in the popular arts Baseball Culture Age Sexuality and Religion explores the social fabric of sport Each part contains multiple essays related by theme and topic A guide to the paper follows

A Modern Guide to Sports Economics Koning, Ruud H.,Kesenne, Stefan,2021-10-26 This timely Modern Guide offers critical insights into developments in both professional and recreational sports through the lens of the economic forces that determine them It explores the benefits of the relationship between sports and economics highlighting ways that economic research can help to understand sports better and the ways that sport provides opportunities to test economic theories

A Way to Move Dale Jacobs,Laura R. Micciche,2003 This groundbreaking volume offers a fresh and invigorating examination of emotion as a category of critical thought in Composition Studies

Work in America Carl E. Van Horn,Herbert A. Schaffner,2003-12-15 The first comprehensive analysis of work and the workforce in the United States from the Industrial Revolution to the era of globalization This comprehensive two volume reference book is the first to analyze the central role of work and the workforce in U S life from the Industrial Revolution through today s information economy Drawing on a variety of disciplines economics public policy law human and civil rights cultural studies and organizational psychology its 256 entries examine key events concepts institutions and individuals in labor history Entries also tackle tough contemporary questions that reflect the conflicts inherent in capitalism What is the impact of work on families and communities On minority and immigrant populations How shall we respond to changing work roles and the growing influence of the transnational corporation Work in America describes and evaluates attempts to address social and class issues affirmative action occupational health and safety corporate management science and trade unionism and organized labor and offers the kind of comprehensive understanding needed to discover workable solutions

General Bulletin American Mining Congress. Special Information Service,1927

Youth's Companion ,1902

Framed! Christopher R. Martin,2004 Christopher R Martin argues that the mainstream news media and the large corporations behind them put the labor movement in a bad light even while avoiding the appearance of bias Martin has found that the news media construct common

ground narratives between labor and management positions by reporting on labor relations from a consumer perspective Martin identifies five central storytelling frames using this consumer orientation that repeatedly emerged in the news media coverage of major labor stories in the 1990s the 1991 94 shutdown of the General Motors Willow Run Assembly Plant in Ypsilanti Michigan the 1993 American Airlines flight attendant strike the 1994 95 Major League Baseball strike the 1997 United Parcel Service strike and the 1999 protests against the World Trade Organization s conference in Seattle In Martin s view the news media s consumer take on the labor movement has the effect of submerging issues of citizenship political activity and class relations and elevating issues of consumption and the myth of a class free America Instead of facilitating a public sphere the democratic ideal in which the public can engage in discovery and rational critical debate Martin says news organizations have fostered a consumer sphere in which public discourse and action is defined in terms of consumer interests the impact of strikes lock outs shut downs and protests on the general consumer economy and the price quality and availability of things such as automobiles airline flights and baseball tickets
