Developmental Classroom Guidance Activities 64 Activitybased Lessons For Grades 49

Clifford Lane

Developmental Classroom Guidance Activities 64 Activitybased Lessons For Grades 4-9:

Developmental Classroom Guidance Activities Susan Ferbert, Deborah Griffith, Donna Forrest, 2000-01-01 This resource is designed to assist counsellors and teachers in presenting creative group and classroom guidance lessons for upper elementary and middle school students grades 4-9 It contains creative and inspirational activities designed specifically for students in this developmental age group Eight structured activity based lessons are provided for each of the following topics Responsible Behavior Tobacco Alcohol Grief and Loss Anger Management Conflict Resolution Character Education Study Skills and Career School to Work Awareness

Classroom Guidance Activities Joe Wittmer, Diane W. Thompson, Larry C. Loesch, 1997 Classroom guidance provides unlimited opportunities for you to get to know your elementary school students while delivering a service based on three universally accepted areas of student development a personal and social development b academic development and c career development These structured large group activities can provide the core for your developmental guidance program Integrate these activities into your affective education curriculum or draw upon them when specific guidance situations arise

Interactions Marilyn Friend, Lynne Cook, 2024-06-04 The most widely used text on the topic of collaboration Interactions is a guide for preprofessionals and professionals to help them understand and participate effectively in their interactions with other school professionals and parents in an increasingly diverse world that is also now routinely electronically and globally connected Interactions presents theory and conceptual principles heavily seasoned with examples cases and applied activities Written specifically to enable readers to quickly use their skills in professional settings the book will be a useful tool for pre service educators and practitioners whether they are engaged in formal instructional settings a study group or independent study The book recognizes that knowledge about instructional practices that can improve student outcomes are more important than ever before and educators are scrambling to respond to the federal legislative mandates that require increasingly high standards and a clear trajectory of improving academic performance for all students including those with disabilities and other special needs

The Learning Mentor Manual Stephanie George, 2010-01-21 Are you looking for ideas advice and guidance to make you an effective Learning Mentor This practical book is designed to help those new to the Learning Mentor role avoid common pitfalls and to help those with more experience to develop their skills Written by an expert practitioner the book includes step by step advice on how to be a good Learning Mentor guidance on working with school management teams teachers and parents advice on how to provide effective student support case studies to illustrate best practice suggested strategies for monitoring and evaluating interventions templates to use and adapt substantial electronic resource materials available from the SAGE website to use with the book An inspiring read for all primary and secondary Learning Mentors and trainee Learning Mentors this book is relevant to anyone involved with student support and pastoral care Stephanie George is a teacher and manager of the Learning Support Unit at Plashet School East London where she is responsible for the
