Developments In British Politics 3:

Developments in British Politics Henry Matthew Drucker, 1983 Developments in British Politics 5 Patrick Dunleavy, 1997 Bringing together a completely new set of specially commissioned chapters by leading authorities

Developments in British Politics 7 provides an accessible state of the art introduction to politics and political change in the UK It provides a systematic assessment of New Labour in government focusing in particular on continuities and contrasts between its first and second terms and with traditional social democracy A central innovation is the concept of multi focal politics to explain the consequences of globalization Europeanization and devolution for the nature and distribution of power in the UK

Developments in British Politics 10 Richard Heffernan, Colin Hay, Meg Russell, Philip Cowley, 2016-09-09 In recent years British politics has seemed increasingly unpredictable The Conservative Party's return to single party government in 2015 surprised commentators and the electorate alike and Labour's choice of Jeremy Corbyn as its leader marked a striking change in direction for the party Cuts to public welfare and spending have led to growing dissatisfaction among sections of the public and the increasing popularity of parties critical of the government's immigration economic and social policies appears to represent a call for fundamental change in British politics With a question mark hanging over the country's global standing following the EU referendum and with further calls for Scottish independence Britain's immediate future seems uncertain In the 10th edition of this highly acclaimed text leading authorities reflect on the latest developments in British politics Drawing on current research the chapters provide a state of the art yet accessible account of British politics today All the chapters are newly commissioned for this edition and together they provide a systematic analysis of key trends issues and debates Topics covered include the legacy of Cameron's governments the politics of austerity immigration and the question of what if anything is distinctively British about the British political system

British Politics Simon Griffiths, Robert Leach, 2018-03-14 Fully revised and updated third edition of a popular established textbook providing a definitive introduction to Britain's politics political institutions and processes Comprehensively reworked and restructured to better align with courses this new edition places great emphasis on the changing context of British politics while addressing key themes such as the ongoing importance of gender and ethnicity to political and social life in Britain Furthermore the book's familiar authoritative style has been retained with a fresh look and revitalized pedagogical features to provide a complete learning package The book is designed for courses on or related to British politics Its accessible style and context setting Part 1 will make it ideal for students new to the field particularly those who haven't studied the subject at school level or international students but its rigour will stimulate and engage more experienced students New to this Edition Fully updated to cover the 2016 EU Referendum the 2017 General Election and other key political developments Politics in Action videos with key academic experts and practitioners offer differing viewpoints on the political system Expanded companion website featuring regular updates and additional pedagogic tools for students and lecturers alike such as self test

quizzes flashcards timelines a lecturer testbank and lecture slides Vibrant and engaging full colour page design to help your students navigate the book's broad coverage

The Free Economy and the Strong State Andrew Gamble,1994-05-24
The Thatcher era was a turbulent and controversial period in British politics Andrew Gamble's authoritative account now revised and updated to cover Thatcher's fall and legacy analyses the ideology statecraft and economic and social programme of the Thatcher Government He explores rival interpretations of Thatcherism and assesses the evidence for claims that the Thatcher Government transformed British politics A new conclusion considers the Conservative Party after Thatcher New to this Edition Both Thatcher's fall and legacy covered in this text New conclusion appraising the Conservative party in the wake of Thatcher

Understanding political ideas and movements Kevin Harrison,Tony Boyd,2018-07-30 Written specifically to cover the A2 component of the GCE Government and Politics A level Provides a comprehensive introduction to the various political ideas and movements that have shaped the modern world Underpinned by the work of major thinkers such as Marx Locke Weber Hobbes and Foucault the book examines at political concepts including the state and sovereignty the nation and democracy representation and legitimacy freedom equality and rights obligation and citizenship Addresses traditional theoretical subjects such as socialism marxism and nationalism as well as contemporary contemporary movements such as environmentalism ecologism and feminism Written in a clear accessible style including a number of student friendly features such as chapter summaries key points to consider definitions and pointers to further sources of information An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence
