Deviant Designations Crime Law And Deviance In Canada:

Deviant Designations Thomas O'Reilly-Fleming, L. A. Visano, 1983 **Deviant Designations** Thomas O'Reilly-Fleming, L. A. Visano, 1983 The History of Blacks in Canada George H. Junne, 2003-03-30 This fascinating bibliography of source materials clearly demonstrates the significant roles blacks have played in the history and culture of Canada from its beginnings as well as their 400 year fight for equity and justice Organized by area of endeavor and by province the source materials detailed here reveal that blacks in Canada have created a rich diverse and complex legacy This volume lists resources that point to blacks history as soldiers prospectors educators cowboys homesteaders entertainers legislators athletes artists servants and writers The most comprehensive bibliography about blacks in Canada that has been published it is well organized to facilitate locating specific topics or people spanning black history Also included are newspapers and videos that add their own unique contribution Academicians researchers students and interested lay people will find an organized compilation of a vast number of primary and secondary sources about blacks in Canada **Canadian Journal of Criminology**, 1991 **Psychological Perspectives on Sexual Problems** Jane M. Ussher, Christine D. Baker, 1993 The regulation of sexuality and the careful distinction between normality and abnormality has a long and checkered history with psychologists at the forefront of this debate Yet any attempt to identify a simple and unitary psychology of sexual problems inevitably becomes the focus of a great deal of criticism particularly from the disciplines of psychoanalysis and feminism The aim of *Psychological Perspectives on Sexual Problems* is both to provoke and to promote a glasnost between those whose work directly involves research and intervention in the arena of sexuality and those who would deconstruct criticize and reframe any understanding of sexuality outside of the dominant discourse of psychology The contributors examine the psychological theories associated with sexuality and sexual problems and at the same time present examples of positive and empowering practice with groups of individuals whose sexuality is often ignored or marginalized These individuals include those with learning difficulties or physical disabilities sex offenders gay men with AIDS and women with eating disorders *Psychological Perspectives on Sexual Problems* is the first text to integrate critical theory and current clinical practice in an attempt to arrive at a revolutionary approach to the psychology of sexuality **Girl Trouble** Joan Sangster, 2010-12-08

Unfinished Dreams Wayne Warry, 1998-01-01 Anthropologist Wayne Warry argues that self government can be realized only when individuals are secure in their cultural identity and can contribute to the transformation of their communities Warry's notion of community healing involves efforts to rebuild the human foundations for self governing Aboriginal societies He uses case studies to illustrate the processes that are essential to self government **The Canadian Criminal Justice System** Subhas Ramcharan, Thomas Fleming, Willem De Lint, 2001 *Accountability for Criminal Justice* Philip C. Stenning, 1995-01-01 Accountability the idea that people governments and business should be held publicly accountable is a central preoccupation of our time Criminal justice already a system for achieving public accountability for illegal and

antisocial activities is no exception to this preoccupation and accountability for criminal justice therefore takes on a special significance Seventeen original essays most commissioned for this volume have been collected to summarize and assess what has been happening in the area of accountability for criminal justice in English speaking democracies with common law traditions during the last fifteen years Looking at the issue from a variety of disciplines the authors intent is to explore accountability with respect to all phases of the criminal justice system from policing to parole

Culture, 1990 **Sport, Violence and Society** Kevin Young, 2013-06-17 Is violence an intrinsic component of contemporary sport How does violence within sport reflect upon the attitudes of wider society In this landmark study of violence in and around contemporary sport Kevin Young offers the first comprehensive sociological analysis of an issue of central importance within sport studies The book explores organized and spontaneous violence both on the field and off and calls for a much broader definition of sports related violence to include issues as diverse as criminal behaviour by players abuse within sport and exploitative labor practices Offering a sophisticated new theoretical framework for understanding violence in a sporting context and including a wide range of case studies and empirical data from professional soccer in Europe to ice hockey in North America the book establishes a benchmark for the study of violence within sport and wider society Through close examination of often contradictory trends from anti violence initiatives in professional sports leagues to the role of the media in encouraging hyper aggression the book throws new light on our understanding of the socially embedded character of sport and its fundamental ties to history culture politics social class gender and the law

Criminological Theory Franklin P. Williams, Marilyn D. McShane, 2004 For undergraduate courses in Introduction to Criminological Theory Theories of Crime Delinquency Criminology Criminal Justice and Introduction to Criminology found in Departments of Sociology Criminology and Criminal Justice This concise book acclaimed by students as easy to read and understand covers all the major sociological theories of crime views the development of these theories and shows the connections between them over time

Bowker's Law Books and Serials in Print 1988 R. R. Bowker, 1988 **GLQ**, 1993 **Violence, Aggression Terrorism**, 1987 *Proceedings of the VIth International Symposium, Ottawa, Canada, August 14-18, 1990*, 1991 *Histories of Sexualities: Sapphists and sexologists* Mary McAuliffe, Sonja Tiernan, 2009 The annual Lesbian Lives conference has been held in University College Dublin since 1993 This title includes papers that cover a period in history from the medieval to the very modern The success of the conference held in 2006 entitled Historicising the Lesbian inspired this collection of essays

Sociology Robert A. Stebbins, 1990 *Hunting Humans* Elliott Leyton, 1988 *Hunting Humans* dares to take readers on a detailed tour of the minds motivations and methods of six American serial and mass murderers and looks briefly at 20 others Hardcover title *Compulsive Killers* New York University Press **Canadiana**, 1984
