Devil A Biography:

The Devil Peter Stanford,2003-06-05 In identifying the Devil as the scapegoat for all that humanity cannot explain about the world this compelling biography investigates how we tackle evil *The Devil* Peter Stanford,1996-12-01 Traces the idea of the Devil through the ages The Devil Philip C. Almond,2014-09-11 Although the Devil still lives in modern popular culture for the past 250 years he has become marginal to the dominant concerns of Western intellectual thought That life could not be thought or imagined without him that he was a part of the everyday continually present in nature and history and active at the depths of our selves has been all but forgotten It is the aim of this work to bring modern readers to a deeper appreciation of how from the early centuries of the Christian period through to the recent beginnings of the modern world the human story could not be told and human life could not be lived apart from the life of the Devil With that comes the deeper recognition that for the better part of the last two thousand years the battle between good and evil in the hearts and minds of men and women was but the reflection of a cosmic battle between God and Satan the divine and the diabolic that was at the heart of history itself from The Devil Lucifer Mephistopheles Beelzebub Ha Satan or the Adversary Iblis or Shaitan no matter what name he travels under the Devil has throughout the ages and across civilizations been a compelling and charismatic presence In Christianity Judaism and Islam the supposed reign of God has long been challenged by the fiery malice of his opponent as contending forces of good and evil have between them weighed human souls in the balance In The Devil Philip C Almond explores the figure of evil incarnate from the first centuries of the Christian era Along the way he describes the rise of demonology as an intellectual and theological pursuit the persecution as witches of women believed to consort with the Devil and his minions and the decline in the belief in Hell and in angels and demons as corporeal beings as a result of the Enlightenment Almond shows that the Prince of Darkness remains an irresistible subject in history religion art literature and culture Almond brilliantly locates the life of the Devil within the broader Christian story of which it is inextricably a part the demonic paradox of the Devil as both God s enforcer and his enemy is at the heart of Christianity Woven throughout the account of the Christian history of the Devil is another complex and complicated history that of the idea of the Devil in Western thought Sorcery witchcraft possession even melancholy have all been laid at the Devil s doorstep Until the Enlightenment enforced a disenchantment with the old archetypes even rational figures such as Thomas Aquinas were obsessed with the nature of the Devil and the specific characteristics of the orders of demons and angels It was a significant moment both in the history of demonology and in theology when Benedict de Spinoza 1632 1677 denied the Devil s existence almost four hundred years later popular fascination with the idea of the Devil has not yet dimmed *Satan* P. G. Maxwell-Stuart,2008-11-15 The story of Devil from antiquity to the present Reverend Devil Ross Phares,1941

Biography of Satan Kersey Graves,2011-05-16 If the devil exists where is he Is he really in a place called hell If so where is that This well researched book exposes all the facts about the devil Topics include the origins of hell where the Christian

devil was borrowed from why the church needed a bad guy to represent evil what the words devil and hell really meant in the Old Testament endless punishment and its devastating effects the devil s twin brother God and why God was the author of evil according to the Bible These and other startling facts are found in this work Don t accept the reality of the devil blindly Read this book and decide for yourself if he exists Excerpt Are you or have you ever been a believer in the doctrine of future endless punishment And did you ever tremble with fearful apprehension that you might be irrevocably doomed to a life of interminable woe beyond the tomb Did you ever shudder at the horrible thought that either yourself or some of your dearest friends might possibly in the day of accounts be numbered among those who are to receive the terrible sentence Depart from me ye cursed into everlasting fire prepared for the Devil and his angels Matt xxv 41 Were you ever tormented and goaded with such fearful forebodings as these and haunted with them day and night for weeks and months together if no during lone and tedious years as thousands of believers in the Christian faith have been in all ages of the Church Or were you ever present during a religious revival to witness the priest remove in imagination the cover from Hell s burning mouth that blazing bottomless pit whose lurid flames of fire ascended up forever and ever and did you hear him depict to a terror stricken audience the awful fate of the countless millions of the doomed damned souls of the underground world End excerpt
