Devil Has Slippery Shoes:

Devil Has Slippery Shoes Rosalind Greenberg,1969-06-01 **The Devil Has Slippery Shoes** Polly Greenberg,1969

The Devil Has Slippery Shoes Polly Greenberg,1990 Civil rights 1960 s Mississippi racism classism a huge grassroots Head Start Project black people vs the U S government unique education for low income children in inspiring detail social change rapid reform the author calls it A sunken treasure published in the 60 s by Macmillan out of print for 15 years a remarkable piece of history rescued Can be read as 1 the ignored chapter in 60 s Mississippi civil rights history when protest became program black people were finally freed from financial slavery it is a detailed documentation 2 a seminal report of a successful model for the development of poor children their parents 3 an enormously stirring personal account of inner professional growth Polly Greenberg an extraordinary woman was one of a trio who conceptualized actualized CDGM She then left OEO where she was an original War on Poverty Head Start staff member took her four small children to live amid burnings bullets while she served as CDGM s Director of Staff Development Program for Children for two years The book is written from the trenches by a war correspondent Reviewers in 1969 said beautifully written raw power deep educational psychological insight brilliant blueprint for change Now has four new chapters assessing CDGM s accomplishments as a significant social change agent **The War on Poverty** Annelise Orleck,Lisa Gayle Hazirjian,2011-11-01 Lyndon Johnson s War on Poverty has long been portrayed as the most potent symbol of all that is wrong with big government Conservatives deride the War on Poverty for corruption and the creation of poverty pimps and even liberals carefully distance themselves from it Examining the long War on Poverty from the 1960s onward this book makes a controversial argument that the programs were in many ways a success reducing poverty rates and weaving a social safety net that has proven as enduring as programs that came out of the New Deal The War on Poverty also transformed American politics from the grass roots up mobilizing poor people across the nation Blacks in crumbling cities rural whites in Appalachia Cherokees in Oklahoma Puerto Ricans in the Bronx migrant Mexican farmworkers and Chinese immigrants from New York to California built social programs based on Johnson s vision of a greater more just society Contributors to this volume chronicle these vibrant and largely unknown histories while not shying away from the flaws and failings of the movement including inadequate funding co optation by local political elites and blindness to the reality that mothers and their children made up most of the poor In the twenty first century when one in seven Americans receives food stamps and community health centers are the largest primary care system in the nation the War on Poverty is as relevant as ever This book helps us to understand the turbulent era out of which it emerged and why it remains so controversial to this day **A Chance for Change** Crystal R. Sanders,2016-02-10 In this innovative study Crystal Sanders explores how working class black women in collaboration with the federal government created the Child Development Group of Mississippi CDGM in 1965 a Head Start program that not only gave poor black children access to early childhood education but also provided black women with greater opportunities

for political activism during a crucial time in the unfolding of the civil rights movement Women who had previously worked as domestics and sharecroppers secured jobs through CDGM as teachers and support staff and earned higher wages The availability of jobs independent of the local white power structure afforded these women the freedom to vote in elections and petition officials without fear of reprisal But CDGM s success antagonized segregationists at both the local and state levels who eventually defunded it Tracing the stories of the more than 2 500 women who staffed Mississippi s CDGM preschool centers Sanders s book remembers women who went beyond teaching children their shapes and colors to challenge the state s closed political system and white supremacist ideology and offers a profound example for future community organizing in the South

Aaron Henry of Mississippi Minion K. C. Morrison, 2015-06-05 Winner of the 2016 Lillian Smith Book Award

When Aaron Henry returned home to Mississippi from World War II service in 1946 he was part of wave of black servicemen who challenged the racial status quo He became a pharmacist through the GI Bill and as a prominent citizen he organized a hometown chapter of the NAACP and relatively quickly became leader of the state chapter From that launching pad he joined and helped lead an ensemble of activists who fundamentally challenged the system of segregation and the almost total exclusion of African Americans from the political structure These efforts were most clearly evident in his leadership of the integrated Mississippi Freedom Democratic Party delegation which after an unsuccessful effort to unseat the lily white Democratic delegation at the Democratic National Convention in 1964 won recognition from the national party in 1968 The man who the New York Times described as being at the forefront of every significant boycott sit in protest march rally voter registration drive and court case eventually became a rare example of a social movement leader who successfully moved into political office Aaron Henry of Mississippi covers the life of this remarkable leader from his humble beginnings in a sharecropping family to his election to the Mississippi house of representatives in 1979 all the while maintaining the social change ideology that prompted him to improve his native state and thereby the nation

Future Choices, 1991 *The Johnson Years: LBJ at home and abroad* Robert A. Divine, 1987 *New Directions in Community Organization* Charles F. Grosser, 1976

The Family in America Joseph M. Hawes, Elizabeth F. Shores, 2001 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change

Civil Rights in the United States Waldo E. Martin, Patricia Sullivan, 2000 This two volume

reference offers a fresh historical perspective that sees civil rights as evolving out of many often diverse sources and movements including the Bill of Rights as well as critical developments such as the African American civil rights movement of post World War II in America Presenting theory as well as the historical realities editors Martin history U of California and Sullivan W E B Du Bois Institute Harvard U treat both the upside and the downside of the theory and practice of civil rights in the U S since the founding of the nation The individual and group based biographical entries along with other accounts and discussions seek to capture the diverse and various tributaries that have flowed into and out of the mighty river of civil rights In particular they shift the discussion to include the struggles of other peoples of color as well as of other marginalized groups such as women lesbians and gays immigrants and the differently abled thus showing that the struggle for civil rights is at the very center of the American experience Contains many b w photographs Annotation copyrighted by Book News Inc Portland OR

Book Review Index ,1985 Every 3rd issue is a quarterly cumulation **The Publishers' Trade List Annual** ,1980 **Choice** ,1969 Black Women in White America Gerda Lerner,1992-11-17 African American women in their rich diversity speak of themselves their lives their ambitions their struggles **Young Children** ,2000 **Public Welfare** ,1969 **Freedomways** ,1969 **Peace Education in America, 1828-1990** Aline M. Stomfay-Stitz,1993-08 A thoroughly researched and well written treatise CHOICE A must read for anyone who is interested in changing the perspectives of our nation s schools from warmongering to peacekeeping the book is crammed with valuable information about yet another ignored segment of U S history BUILDING PEACE **Yearbook** ,1990

Thank you for reading **Devil Has Slippery Shoes**. Maybe you have knowledge that, people have search numerous times for their chosen readings like this Devil Has Slippery Shoes, but end up in harmful downloads.
