The Divine Attributes, Including Also the Divine Trinity Emanuel Swedenborg,1866     **The Thinker** ,1894     The GREAT and Good Great,1904     **Infernal Conference ; Or Dialogues of Devils** John Macgowan,1816     **Dictionary of Buddhism** Soka Gakkai,2009-01-01

Anyone reading English translations of Buddhist texts will encounter a host of names terms and phrases whose meanings are not clear even though they appear in English Buddhism is famous for its specialized terminology and translation alone may not communicate its full meaning East Asian Buddhist diction is layered with several languages Pali Sanskrit Chinese and Japanese and the only way to make one s way through this linguistic maze without getting lost is with the aid of a good dictionary The Soka Gakkai Dictionary of Buddhism a revised and expanded version of A Dictionary of Buddhist Terms and Concepts 1983 is a welcome addition that serves this purpose Written clearly for the general reader the Dictionary contains over 2 700 entries While it is designed primarily for use with the Soka Gakkai s translations of Nichiren s works the Dictionary contains a wealth of terms found in all other traditions of Buddhism Definitions are given for technical terms historical figures doctrinal texts institutions and place names The entries provide complete cross references so that readers may know and further pursue meanings of term equivalents as rendered in other ways or languages Ten appendixes provide maps and world lists that enable the reader to find terms in English Pali Sanskrit Chinese or Japanese Like all Buddhist masters Nichiren presented his particular message in the wider context of other Buddhist teachings and practices To know the particular one must also understand the general context and the Dictionary in addressing both levels provides essential knowledge not only for students of Nichiren Buddhism but for anyone reading Buddhist texts

**He Could Not Contain Her:** Kathleen McCartan,2014-09-23 First and foremost this book gives you a glimpse into one creative some say genius bipolar mind which I have had for a little over twelve years Beyond that using a Sacred Feminine Holy Spirit Breath and Wind of God perspective as well as an educational creative perspective and a Course in Miracles perspective I attempt to create a total world reversal of thought on all issues related to the world humans why were here and whats to come of us This book reverses so called normal human thinking about almost everything including what is life and what is death what the real story of Lucifer and Mary Magdalene John the Baptist and Jesus really is and what the actual laws of the universe really are whats actually normal and abnormal the answer will surprise you what humans are actually like as a species what the current state of our world actually is and what humans mean to Christ John the Baptist Christ Alter Ego Christ in reality and in the great scheme of things It will be no surprise that I determine that to save the world and yes it can be done love is the only question and love is the only answer The only problem is that most people on Earth arent really listening despite the fact that we live in an almost dead world mentally emotionally and spiritually The spiritual light of the world is very dim if its even shining at all anymore Humans must wake up now today This book is about starting a creative spiritual educational revolution in America and letting it spread throughout the whole world

This book takes a forward looking approach to the future and gives readers a glimpse into upcoming events
