Devotion In Motion:

Devotion in Motion Edward Wright-Ríos, 2025-06-05 A study of contemporary pilgrimage through the elastic history of a shrine in Oaxaca Mexico For many pilgrimage conjures ideas about ancient traditions and somber journeys of self discovery an escape from modern life In *Devotion in Motion* Edward Wright R os argues that we misunderstand pilgrimage past and present if we ignore its dynamic relationship with the rhythms of daily life and community Through the story of a centuries old ever changing Catholic shrine to Our Lady of Juquila in Oaxaca Mexico Wright R os reveals how tradition innovation marketing and devotion coexist and interact in pilgrimage Devotees he shows are not dissuaded by the embeddedness of the sacred site in the complexities hierarchies or conflicts of their lives In fact the truckers accountants and health care workers we meet in this book actively seek new resources including social media to aid and share their devotion Part microhistory part ethnography *Devotion in Motion* is a celebration of pilgrimage as a living experience in every generation
