Dialectic Of Defeat:

Dialectic of Defeat Russell Jacoby, 2002-05-16 Observing that for both revolutionaries and capitalists nothing succeeds like success Russell Jacoby asks us to reexamine a loser of Marxism the unorthodox Marxism of Western Europe The author begins with a polemical attack on conformist or orthodox Marxism in which he includes structuralist schools He argues that a cult of success and science drained this Marxism of its critical impulse and that the successes of the Russian and Chinese revolutions encouraged a mechanical and fruitless mimicry He then turns to a Western alternative that neither succumbed to the spell of success nor obliterated the individual in the name of science In the nineteenth century this Western Marxism already diverged from Russian Marxism in its interpretation of Hegel and its evaluation of Engels orthodox Marxism The author follows the evolution of this minority tradition and its opposition to authoritarian forms of political theory and practice

Dialectic of defeat Russell Jacoby, 1980 **The Dialectical Forge** Walter Edward Young, 2016-12-13 The Dialectical Forge identifies dialectical disputation *jadal* as a primary formative dynamic in the evolution of pre modern Islamic legal systems promoting dialectic from relative obscurity to a more appropriate position at the forefront of Islamic legal studies The author introduces and develops a dialectics based analytical method for the study of pre modern Islamic legal argumentation examines parallels and divergences between Aristotelian dialectic and early juridical *jadal* theory and proposes a multi component paradigm the Dialectical Forge Model to account for the power of *jadal* in shaping Islamic law and legal theory In addition to overviews of current evolutionary narratives for Islamic legal theory and dialectic and expositions on key texts this work shines an analytical light upon the considerably sophisticated proto system of juridical dialectical teaching and practice evident in Islam s second century several generations before the first full system treatises of legal and dialectical theory were composed This proto system is revealed from analyses of dialectical sequences in the 2nd 8th century *Kit b Ikhtil f al Ir qiyy n Ir qiyyayn* the subject text through a lens molded from 5th 11th century *jadal* theory treatises the lens texts Specific features thus uncovered inform the elaboration of a Dialectical Forge Model whose more general components and functions are explored in closing chapters *Dialectic in Action* Michael C. Stokes, 2005 Plato s *Crito* examines a single moral decision whether Socrates ought to escape from his death cell Stokes book discusses Socrates arguments against *Crito* s offer of escape It construes Socrates questions as genuine questions which clarify and undermine *Crito* s positions Stokes s approach avoids the documentary fallacy it shows how Plato catered for both the novice and the experienced reader of his published works This book offers a fresh account of Socrates whole strategy It demonstrates both the shakiness of Socrates persuasion of the un philosophical *Crito* to engage in dialectic and the coherence of his substantive confutation Plato s reasoning emerges from Stokes study with more credit than many have given it **Dialectic** Mortimer Jerome Adler, 1927 *Telos* , 1982 **Romain Rolland** Stefan Zweig, 1921 **Islamic Disputation Theory** Larry Benjamin Miller, 2020-07-13 This book charts the evolution of Islamic dialectical theory *jadal* over a four hundred year period

It includes an extensive study of the development of methods of disputation in Islamic theology *kal m* and jurisprudence *u l al fiqh* from the tenth through the fourteenth centuries The author uses the theoretical writings of Islamic theologians jurists and philosophers to describe the concept Overall this investigation looks at the extent to which the development of Islamic modes of disputation is rooted in Aristotle and the classical tradition The author reconstructs the contents of the earliest systematic treatment of the subject by *bal R wand* He then contrasts the theological understanding of dialectic with the teachings of the Arab Aristotelians *al F r b* Avicenna and Averroes Next the monograph shows how jurists took over the theological method of dialectic and applied it to problems peculiar to jurisprudence Although the earliest writings on dialectic are fairly free of direct Aristotelian influence there are coincidences of themes and treatment But after jurisprudence had assimilated the techniques of theological dialectic its own theory became increasingly influenced by logical terminology and techniques At the end of the thirteenth century there arose a new discipline the *d b al ba th* While the theoretical underpinnings of the new system are Aristotelian the terminology and order of debate place it firmly in the Islamic tradition of disputation
