industry and within just a few years created the most successful record label in the history of the American music industry How did they do it One day in 1967 the newly tapped label president Mo Ostin called his team together to share his grand strategy he told them to stop trying to make hit records Let s just make good records and turn those into hits With that Ostin ushered in a counterintuitive model that matched the counterculture His offbeat crew recruited outsider artists and gave them free rein while rejecting out of date methods of advertising promotion and distribution And even as they set new standards for in house weirdness the upstarts experiments and innovations paid off to the tune of hundreds of legendary hit albums Warner Bros Records conquered the music business by focusing on the music rather than the business Their story is as raucous as it is inspiring pure entertainment that also maps a route to that holy grail love and money Includes black and white photographs *The National Union Catalogs, 1963- ,1964* **Renewals** Gerard Previn Meyer,1982 **Atkinson's Evening Post, and Philadelphia Saturday News** ,1919 SCC Library has 1974 89 plus scattered issues **The Australian Musical News** ,1926 **American Book Publishing Record** ,1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets *Life* ,1920 **Life** John Ames Mitchell,1920 **Nation's Business** ,1930 **Cumulated Index to the Books** ,1972
