*The 2R Manager* Peter E. Friedes, 2003-02-03 The 2R Manager will make you a better manager immediately It offers specific advice tailored to each individual's current management style You will take some self surveys see the results and learn the impact you now have on those you manage You'll learn what changes you must make and how to make them Managers have naturally either a Relating or a Requiring style Those who naturally require are weaker at relating sometimes much weaker and vice versa The best managers possess the ability to do both well and know when to choose one over the other Most managers miss opportunities Some try to be their employee's friend when they need to be setting priorities and deadlines Others thinking they have the answers miss getting new ideas and destroy their employees' motivation Having the ability to relate and require is fundamental for effective managing Whether you want to improve how you now manage people or create a management training alternative that can help reduce time and costs you will find what you're looking for in *The 2R Manager*
