Basic verities Charles Péguy, 1943 **Basic Verities** Charles Péguy, 2019 Basic Verities, Prose, and Poetry Charles Péguy, 1943 **Charles Péguy** Charles Pierre Péguy, 1943 *An Avant-garde Theological Generation* Jon Kirwan, 2018

An Avant garde Theological Generation examines the Fourvi re Jesuits and Le Saulchoir Dominicans theologians and philosophers who comprised the influential reform movement the nouvelle th ologie Led by Henri de Lubac Jean Dani lou Yves Congar and Marie Dominique Chenu the movement flourished from the 1930s until its suppression in 1950 It aims to remedy certain historical deficiencies by constructing a history both sensitive to the wider intellectual political economic and cultural milieu of the French interwar crisis and that establishes continuity with the Modernist crisis and the First World War

Chapter One examines the modern French avant garde generations that have shaped intellectual and political thought in France providing context for a historical narrative of the nouvelle th ologie Chapters Two and Three examine the influential older generations that flourished from 1893 to 1914 such as the Dreyfus generation the generation of Catholic Modernists and two generations of older Jesuits and Dominicans which were instrumental in the Fourvi re Jesuits development Chapter Four explores the influence of the First World War and the years of the 1920s during which the Jesuits and Dominicans were in religious and intellectual formation relying heavily on unpublished letters and documents from the Jesuits archives in Paris Vanves Chapter Five analyses the crises of the interwar period and the emergence of the wider generation of 1930 to which the nouveaux th ologiens belonged and its intellectual thirst for revolution Chapter Six examines the emergence of the ressourcement thinkers during the tumultuous years of the 1930s The decade of the 1940s explored in Chapter Seven saw the rise to prominence of the members of the generation of 1930 who thanks to their participation in the resistance emerged from the Second World War with significant influence on the postwar French intellectual milieu Finally the monograph concludes in Chapter Eight with an examination of the triumph of French Left Catholicism and the nouvelle th ologie during the 1960s at the Second Vatican Council

The Portal of the Mystery of Hope Charles Peguy, 2005-05-01 Translated by David L Schindler Jr In what is one of the greatest Catholic poetic works of our century P guy offers a comprehensive theology ordered around the often neglected second virtue which is incarnated in his celebrated image of the little girl Hope

Notes on Bergson and Descartes Charles Peguy, 2019-02-12 Charles P guy 1873 1914 was a French religious poet philosophical essayist publisher social activist Dreyfusard and Catholic convert There has recently been a renewed recognition of P guy in France as a thinker of unique significance a reconsideration inspired in large part by Gilles Deleuze s *Diff rence et r p tition* which ranked him with Nietzsche and Kierkegaard In the English speaking world however access to P guy has been hindered by a scarcity of translations of his work This first complete translation of one of his most important prose works with accompanying interpretive introduction and notes will introduce English speaking readers to a new voice which speaks in a powerful and original way to a modern West in a condition of cultural and spiritual crisis The immediate circumstance of the

writing of this last prose essay unfinished at the time of P. G. Wodehouse's early death was the placing of Henri Bergson's philosophical works on the Catholic Index and P. G. Wodehouse's undertaking to defend his former teacher from his critics both Catholic and secular. But the subject of Bergson is also a springboard for the exploration of the perennial themes philosophical, theological, and literary most central to P. G. Wodehouse's thought.

Word Made Fresh Abram Van Engen, 2024-06-25 Christianity Today Book Award in Culture Poetry and the Arts 2025 Have you ever read a book that turned your world upside down? What about a poem? Poetry has the power to enliven, challenge, change, and enrich our lives. But it can also feel intimidating, confusing, or simply not for us. In these joyful and wise reflections, Abram Van Engen shows readers how poetry is for everyone and how it can reinvigorate our Christian faith. Intertwining close readings with personal storytelling, Van Engen explains how and why to read poems as a spiritual practice. Far from dry academic instruction, his approach encourages readers to delight in poetry even as they come to understand its form. He also opens up the meaning of poetry and parables in Scripture, revealing the deep connection between literature and theology. Word Made Fresh is more than a guide to poetry; it's an invitation to wonder, to speak up, to lament, to praise. Including dozens of poems from diverse authors, this book will inspire curious and thoughtful readers to see God and God's creation in surprising new ways.

The Great Ideas Mortimer Jerome Adler, 1955 Forty-five years ago, Mortimer Adler sat down at a manual typewriter with a list of authors and a pyramid of books. Beginning with *Angel* and ending with *World*, he set out to write 102 essays featuring the ideas that have collectively defined Western thought for more than twenty-five hundred years. This comprehensive volume includes pieces on topics such as War and Peace, Love, God, and Truth that amply quote the historical sources of these ideas from the works of Homer to Freud, from Marcus Aurelius to Virginia Woolf. These essays evoke the sense of a lively debate among the great writers and thinkers of Western civilization. *The Great Ideas* is an essential work that draws the reader into our civilization's great conversation of great ideas.
