biblical teachers students and scholars will only diminish the trustworthiness of God's Word e.g. inerrancy Biblical criticism is extremely flawed and its attack on the Bible has failed to demonstrate that the Bible is not the Word of God On this Dr Robert L. Thomas writes Someone needs to sound the alarm when evangelical leaders mislead the body of Christ A mass evangelical exodus from this time honored principle of interpreting Scripture is jeopardizing the church's access to the truths taught therein Whether interpreters have forsaken the principle intentionally or have subconsciously ignored it the damage is the same Robert L. Thomas *Evangelical Hermeneutics: The New Versus the Old* p. 160 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Through the Lens of An Ancient Yisra'elite Bible Study** Benjamin Nieves Carrasquillo Jr., 2025-05-28 The information contained in this book is based on 23 years of thorough academic research teaching and schooling The book avoids any form of western bias no presuppose ideas ideologies or theories The book is an in depth study of the Biblical text within the context of the ancient culture language traditions and customs of a first century Yisra elite **Revelation** William Pender, 1998-01-01 Originally published Louisville Ky Geneva Press 1999 **Religious Books and Serials in Print 1978-1979** R.R. Bowker Company. Department of Bibliography, 1978-11 *The United States Catalog* Mary Burnham, Carol Hurd, 1928 **Matthew** Alyce M. McKenzie, 1998-10-01 In this Gospel Matthew tells the story of Jesus who is the presence of God and has come to call the faithful to a new level of righteousness He challenges his disciples to live each day as participants in God's kingdom be poor in spirit and pure in heart turn the other cheek and love one's enemies Through his teachings and healings Jesus breaks the bonds of evil and sin and frees each one for a life rich in celebration and service By his resurrection Jesus continues to be present even until the end of the age Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight
