Basic Documents Of International Relations

John P. Miglietta

Basic Documents Of International Relations:

Basic Documents of International Relations Frederick H. Hartmann, 1969 *Basic Documents of International Relations*. Edited by F.H. Hartmann Frederick Howard HARTMANN, 1951 **International Relations** Elmer Plischke, 1964 International Relations: Basic Documents Elmer Plischke, 1953 Basic Documents in International Law Ian Brownlie, 2009 Basic Documents in International Law provides exactly what it says in the title the essential basic and most important documents needed for the study and understanding of international law Collated by a world leading expert this focused selection of documents will be an excellent resource for both students and practitioners *American Foreign Policy Basic Documents, 1977-1980* United States. Department of State. Office of the Historian, 1983 **American Foreign Policy. 1950-1955** United States. Department of State. Historical Office, 1957 World Communism, 1964-1969, a Selected Bibliography United States. Congress. Senate. Committee on the Judiciary, 1971 American Foreign Policy ... Basic Documents, 1957 A Decade of American Foreign Policy United States. Congress. Senate. Committee on Foreign Relations, 1968 **Punishment, Justice and International Relations** Anthony F. Lang Jr., 2009-10-16 This book examines the international political order in the post Cold War era arguing that this order has become progressively more punitive This is seen as resulting from both a human rights regime that emphasizes legal norms and the aggressive policies of the United States and its allies in the War on Terror While punishment can play a key role in creating justice in a political system serious flaws in the current global order militate against punishment enforcing global norms The book argues for the necessary presence of three key concepts justice authority and agency if punishment is to function effectively and explores four practices in the current international system intervention sanctions counter terrorism policy and war crimes tribunals It concludes by suggesting ways to revise the current global political structure in order to enable punitive practices to play a more central role in creating a just world order This book will be of much interest to students of International Law Political Science and International Relations *American Alliance Policy in the Middle East, 1945-1992* John P. Miglietta, 2002-01-01 *American Alliance Policy in the Middle East* provides a stimulating new look at a U S Cold War foreign policy gripped by anticommunist paranoia Through case studies of America s relationships with Iran Israel and Saudi Arabia John P Miglietta reveals how an overriding fear of global communism led to the overcommitment of U S security resources to the region The perceived need to preserve Middle East stability rendered U S policy ineffectual and unresponsive to changing local conditions drastically altering the patron client paradigm to the detriment of American strategic interests This superb analysis of American foreign policymaking illustrates how Cold War anticommunist ideology prevented the evolution of traditional military alliances into broader based relationships and perpetuated authoritarian regimes that mired the Middle East in a cycle of poverty and despotism **American Foreign Policy, Current Documents**, 1966 Basic Documents World Health Organization, 1967 *Helping Humanity* Keith Pomakoy, 2011-03-04 *Helping Humanity* American Policy and

Genocide Rescue explores American foreign policy reactions to genocide and state caused humanitarian crises This book provides an examination of the nature of genocide and America s 19th century philanthropic efforts it then offers case studies focused on the Cuban Insurrection the Armenian Genocide the Terror Famine World War II and the Cambodian Genocide It also includes a discussion of the difficulties encountered by would be rescuers in the post Cold War era Pomakoy shows that the policies pursued by various presidents reflected a balance of policy considerations Rarely did imperial or isolationist ambitions dominate American policy completely Humanitarian concerns played an important if rarely appreciated role in foreign policy formulation and represent a neglected dynamic in American history Numerous rescue efforts developed as ordinary Americans joined with missionaries and diplomats to raise and distribute humanitarian aid This peculiar blending of private and public resources grew apace with American wealth and power in the 19th and 20th centuries and provided succor to those who could be reached In Armenia this aid saved hundreds of thousands of lives During World War II a similar campaign saved some of Hitler s victims from death Sometimes American rescue efforts succeeded only because the use of force removed the underlying causes of the humanitarian crisis as in Cuba in 1898 where an aid campaign did not succeed until America s military might ended the fighting on the island Other American presidents ignored or downplayed humanitarian crises especially when the realities of geography and power politics prevented effective rescue America has been roundly criticized for the absence of a genocide rescue policy Helping Humanity revisits this discussion arguing that American foreign policy reactions to genocide encompassed more activity than is usually recognized Philanthropy diplomatic pressure war and soft diploma

American foreign policy; basic documents, 1950-1955 U. S. Dept. of State,1957

American Foreign Policy United States. Department of State,United States. Department of State. Historical Office,1957
