Ball (DVM.), 1998 *Basic Horse Care* Eleanor F. Prince, Gaydell M. Collier, 1986 By the authors of the best selling *Basic Horsemanship* this indispensable companion volume covers the essentials of horse care a must for anyone who owns a horse or is thinking of buying one B W photographs throughout From the Trade Paperback edition **Horses** Kelly Mass, Horse ownership is a rewarding experience that comes with a unique set of responsibilities and joys From the first moment you decide to bring a horse into your life you embark on a journey that requires dedication patience and a deep respect for the animal This guide has been created to provide you with the essential knowledge needed to care for and manage your horse whether you are a first time owner or an experienced rider looking to enhance your skills Horses are magnificent creatures each with their own personality quirks and needs As a horse owner understanding the basics of horse care is fundamental to ensuring their well being and happiness

This includes everything from their nutrition and grooming to training and health management. While the bond between horse and owner can be incredibly rewarding, it also requires work and commitment. Horses are highly social animals that thrive on routine care and attention, and in turn, they can offer companionship, joy, and an opportunity for growth. In this book, we will cover all aspects of horse care and management, focusing on both the practical and emotional elements of the relationship between you and your horse. We will begin by exploring the foundational knowledge about horses, such as their anatomy, behavior, and basic care needs. From there, we will guide you through the process of selecting the right horse for your lifestyle, setting up a proper environment, and creating a feeding and exercise plan. Health care, grooming, and tack maintenance will also be discussed alongside strategies for training and managing your horse's behavior.

Horse Health and Nutrition For Dummies Audrey Pavia, Kate Gentry-Running, 2011-02-04. Want to know the best ways to care for your horse? *Horse Health and Nutrition For Dummies* gives you up-to-the-minute guidance on keeping horses healthy at all stages of life. It provides the latest information on equine nutrition and healthcare, explaining how your horse's body functions and how to keep it in good working order. Packed with practical advice on equine first aid and alternative therapies, this completely practical, plain-English guide explains exactly what to feed your four-legged hayburner and how much. You'll find out what kind of preventive care is vital to keeping your horse in good physical shape and how to recognize signs of illness when things go wrong. You'll get the low-down on the diseases and conditions most likely to plague the domestic horse and find help in deciding whether to treat problems yourself or call the vet. Discover how to manage your horse's diet, house your horse safely and comfortably, tend to the daily details of horse care, examine coat, eyes, hooves, and manure, identify, control, and prevent equine diseases, understand links between horse behavior and health, practice good horse nutrition, grow your own horse food, cover horse health care costs, breed your horse, care for pregnant mares and newborns. A healthy horse is a happy horse. Keep your horse fit with a little help from *Horse Health and Nutrition For Dummies*, and you'll be happy too.
